Sir,-

I beg to acknowledge the receipt of your letter of the 15th instant respecting the condition of the old foundation of the burned Council House at Chapel Island, and in reply to say that the information therein has been noted. You, however, have not made any suggestions as to the best available site for the new building which the Department informed you, by letter of April 15th last, was necessary before any action could be taken or plans prepared.

With reference to the information required you will please refer to Department's letter above referred to, and in your reply give fully the information necessary, that the work may be proceeded with.

Your obedient servant,

Asst. Deputy and Secretary.
