

116859-10

Ottawa, June 18, 1919.

Sir,-

The Department is in receipt of a communication from the Principal of the Blue Quills Boarding School, in which he requests that pupil No. 090, Louisa Mamenack, who has reached the age limit, be granted her discharge and also that the Department furnish her with a sewing machine for her own use when she leaves the school.

The Department would like you to give your views concerning this request and state whether you consider it advisable that a sewing machine be supplied. As the girl is 18 years of age her discharge is approved.

An early reply will oblige.

Your obedient servant

Assistant Deputy and Secretary
