OPENING ADDRESS BY PROSECUTOR:

Mr President, Members of the Court:- In these two charges against Capt Fuller, the 1st charge I wish to prove, and hope to prove, that the accused on 23rd December did cause without authorization to have procured for his own personal use a WD Veh from the Transport Offr of HQ CRU. That he procured said Veh from the TC without a work ticket. That having in mind that the Standing Orders for HQ CRU provided that a department veh may NOT go out for the purpose of recreational transport beyond 20 mls without the signature of the AQMG, he did cause the veh to go beyond the 20 miles. Further, that having procured the veh for the purpose of going to Winchester did cause the veh to go instead to Brighton. The 2nd charge I intend to prove that during the course of the trip of this veh that the accused was improperly concerned in giving spirituous liquours to the driver in that he permitted in his presence the giving of spirituous liquors to the driver of this veh and that in so doing he was guilty of an act of conduct to the prejudice of good order and military discipline which it was in his power to stop.
