

3-4-2

Hammond P.C.  
Oct 28<sup>th</sup> 1947

Sir.

Acknowledge your letter No 3-4-2. Dated Oct 25<sup>th</sup> Inst.  
In re. David Jack. I have advised this man according  
to the Indian Act in the best of my ability for his understanding  
but he seems not to believe it. Since 1922 he has been in  
correspondence to name re. of that 706 acres at Chemainus Res-  
No 13. But he has never been satisfied. I consider the only  
remedy for this man is to let him have the interests, and  
be advise personally for his final understanding. Some times  
he has me mixed up in their minds with the other members  
of that Band. I do not side in with neither side. I work  
according to evidence and settle it according the way it's  
spoken of. However it's late to advise him as stated on the  
last Paragraph of your letter, so will be seen you on Thursday  
Oct 30<sup>th</sup> at 10<sup>30</sup> AM.

I am  
your obedient servant

Simon Poiré
