Re: Permit, Squawkum Creek I.R.
No. 3 - House built from Band Funds

With reference to your letter of October 27th, as Donald Felix Joe is not a Band member, the permit which will be issued to him will be similar to a permit issued to a non-Indian and will entail a description of the property. Will you please provide such a description?

Furthermore, before proceeding with the issuance of such a permit, it will be necessary for us to know what interest Clarence Williams has in the property occupied by the building. If he has not been located to the property by a Council Resolution approved by the Department, it is quite possible that we need not consider his interests.

W.S. Arneil,
Indian Commissioner for B.C.
