

FERGUSON'S INVALIDS' PORT WINE

This is one of the best tonics known to science as an upbuilder of a weak system.

Lots of people get into a run-down condition from overwork and too close confinement indoors.

They go to a doctor, and in nine cases out of ten he will write you out a prescription for some drugs and will charge you \$2.00 each time he calls on you.

Take my advice and hitch your wagon to a star and jump in before the star gets the start of you; in other words, buy a bottle of FERGUSON'S INVALIDS' PORT and you will not have to consult a doctor.

After you have tried one bottle you will never be without it in your home.

You can purchase my Invalids' Port at all first class Drug Stores at the nominal price of \$1.00 per bottle.

TRY IT!
