

ANNUAL REPORT OF THE MONTREAL LADIES' ASSOCIATION.

The Ladies' Committee beg to submit their Annual Report for 1880. They are glad to record an increased attendance during the past year at their monthly meetings, and they trust that this is an evidence of a deeper interest taken in the work of the mission. Several new members have joined the Committee since the last Report, the names of Mrs. Renaud, Mrs. F. Renaud, Miss Gibb and Miss Cross having been added to the list.

The lamented death of Mrs. Bancroft, after a very short tenure of office, occurred just as the last Report was being printed, and necessitated the election of a new President, and at the October meeting of the Committee Mrs. M. H. Gault was unanimously elected to fill the vacant place. As a member of the Committee, she has long taken a warm interest in the work of the Sabrevois Mission, and the Committee are glad to have such a steady supporter of the work at their head. A resolution of condolence with the family of the late Mrs. Bancroft, expressing the sympathy of the Committee, in their great bereavement, was drawn up and forwarded to them.

Some of the friends of the Mission visited Sabrevois at the Annual Examinations, which were held by the Bishop on the 24th of May. The lady friends who visited the schools on that day were much gratified by what they there saw and heard, especially in points of domestic management, order and cleanliness being everywhere conspicuous, and the arrangements which were made for the entertainment of their numerous visitors reflected great credit on all concerned. The examinations were very interesting; and the answers, especially of the boys and girls when examined on Scripture subjects, most satisfactory, showing that they had not merely learnt by rote, but that they comprehended the meaning of the truths which had been taught them.

A special appeal has been made to the members of the Committee on behalf of the new building proposed to be erected in this city. The Revs. J. J. Roy and L. N. Tucker urged upon the ladies that they should make special efforts to obtain \$2,000, the sum which will be required to furnish the school when built. An appeal has, therefore, been drawn up, and circulated amongst the ladies in all parts of the Dominion and elsewhere requesting them to unite in raising this sum, and it is hoped that by the time it is required the amount will be secured. But the Committee would desire to remember that the silver and the gold are the Lord's, and that He can open the hearts of people and answer the prayer of faith. Let us remember the words of David to Solomon, when he was about to undertake the building of the House of the Lord, "Arise, therefore, and be doing, and the Lord be with thee. And let us never forget that however liberal
