## GOSSIP.

Mr. W. D. Flatt, Hamilton, Ont., has recently landed a new importation of 39 Shorthorns in quarantine at Quebec, which he considers the most valuable consignment he has yet brought over, particulars of which will be given in a future issue.

Mr. C. A. Archibald, Truro, N.S., has recently made a good sale of a nice lot of Ayrshire cattle to the superintendent of Mount Hope, Dartmouth, including a daughter of his grand show cow, Abyrnie, four times sweepstakes winner at the Provincial Exhibition. Mr. Archibald sold over 50 registered Shorthorns and Ayrshires last year.

Alfred Mansell & Co., live stock exporters, Shrewsbury, England, write: "It will doubtless interest breeders of Shropshire sheep in all parts of the world to learn that at the recent public sales held in various parts of Great Britain and Ireland, no less than nine rams have realized 100 guineas and upwards, and have made the splendid average of £136 10s., whilst several others have made between 40 and 90 guineas, and that several ewes have realized between 20 and 30 guineas each. North America, as usual, has largely helped the general run of prices, but Australasian breeders have done the most to enhance values, and have been spirited bidders at several of the sales, giving in one case 240 guineas for a ram, and in others 140, 120 and 90 guineas. The Australian demand has been greatly fostered by the wonderful results obtained by the Shropshire ram on cross-bred Merino ewes to produce fat lambs for export."
