

TRADE MARK
Wilkinson
REGISTERED
PNEUMATIC
ENSILAGE
and STRAW CUTTERS

Our Climax "A" mounted is the only successful combination machine of this capacity on the market. It will cut and deliver green corn into the highest silo, or dry straw or hay into the mow. 18" mouth, rolls raise 8 inches and set close to knives, making solid compact cutting surface. Requires less power than any other of same capacity. No lost power.

Direct pneumatic delivery, no worm gears or special blower attachment. Knife wheel also carries the fans. No lodging on wheel arms. Everything cut, wheel always in balance. Steel fan-case. Supplied with pipe enough to reach any silo, also pipe rock, tools, etc. Ask your dealer about them and write for catalog. We also make a "B" machine unmounted.

THE BATEMAN-WILKINSON CO.
LIMITED. 418 Campbell Avenue, Toronto, Ontario.

Pump annoyances never worry the Farmers who are fortunate enough to be using
Imperial Anti-Freezing Pump

The "Imperial" is the pump best suited for all farm purposes.

It has a large air-chamber, extending to top of stand, containing 127 1/4 cubic inches. Has 1 1/4 inch plunger-pipe instead of stuffing-box. The advantage over the stuffing-box is that it has three plunger buckets which are self-expanding, and therefore require no attention. Can be used on any sized pipe from 1 1/4 to 2 inches in diameter, tapped for 1 1/4, 1 3/8 or 2-inch pipe. On tubular wells, the plunger can be withdrawn without removing the pump.

Get our illustrated catalogue with prices—sent postpaid. This interesting catalogue sent to you on receipt of post card. Send us your address to-day.

DAIN THE LIGHT DRAFT "ONE MAN" HAY LOADER

HERE is a real Hay Loader; a genuine labor saver; not a mere hay elevator. It's rightfully called the "One Man" loader because one man is all that's needed to run it. The force delivery pushes the hay well forward on the load, where it can be easily handled by the driver.

DAIN EXCLUSIVE ADVANTAGES

Easy to couple to all wagons without adjustment. No long, crooked crank shaft to break or cause trouble. Geared right to insure light draft and greatest hay gathering efficiency. Gathering rakes and elevating parts operated by hammock mounted pitmans. Works equally well on swath or windrow. Caster wheels in rear lessen draft and make turning easy.

The Dain Loader is lightest draft, most simple in design and most convenient to operate. Gets all the hay; made to last from best materials. That's why it is the most popular loader built today—why it is most widely imitated and just why it should be your choice.

Consult your nearest John Deere Dealer about any of our Tools: Mowers, Loaders, Side Delivery Rakes, Stackers, Sweep Rakes, Presses. Write us, mentioning the tools in which you are interested, and we will send you new booklet and our free book, "Better Farm Implements and How to Use Them," the most practical and helpful book ever published.
