

GOSSIP.

Jas. McArthur, Goble's, Ont., in ordering a change in his advertisement, writes: "Our Shorthorns are coming through the winter in splendid shape. I sold the bull Bobs 31334 to Mr. G. F. Clump, Paris, Ont. I have three more, 10 months old, by imp. Sirius. There is great demand for Yorkshires. I sold everything but one boar 3 months old. We are getting lots of suckers for the spring trade. The Advocate is a splendid paper to advertise in. It sends back lots of good customers."

Last month Mr. Cameron, of Caledon, Ireland, who had been a large purchaser of the best class of Shorthorns at the Perth spring sale, visited the Collynie herd and purchased from Mr. Duthie, at a high price, on behalf of Mr. Kirker, Craigavad, County Down, the highly-bred rising two-year-old Shorthorn bull, Royal Windsor, bred by Her late Majesty the Queen, and by Robin-Nonpareil, from a dam by the famous Ramockburn. Royal Windsor was the pick of the Windsor calves in 1880, and was purchased privately by Mr. Duthie in the spring of last year for service at Collynie. He is a bull of beautiful quality, very true and just in his shapes, and with a fine cover of hair; he is also very well bred, his sire being by Roan Robin, from a Cumberland cow, while his dam is of the well known Beaufort family, which produced the celebrated 1000-guinea bull, New Year's Gift. Mr. Duthie had intended keeping Royal Windsor as a successor to Scottish Archer, and it was only an exceedingly tempting offer that induced him to part with him.

A RECORD SALE OF DODDIES.

On March 6th to 8th, in Chicago, at the dispersion sale of Aberdeen-Angus cattle belonging to Messrs. Chas. Escher & Son, Botna, Iowa, the average price of \$479.95 for 143 head was made. This is said to be the highest average ever made on a like number of pedigreed cattle of any breed, only one animal in the whole list selling below \$200. Six animals sold at prices ranging from \$1,000 to \$1,700, and 54 for \$500 and upwards. The highest price for a female was \$1,700 for imp. Krivinia, a 2-year-old heifer, bought by Cantine Bros. & Stevenson, Holstein, Iowa. The highest for a bull, \$1,300, for the 4-year-old (Olin of Longbranch, bought by A. C. Bennie, Alta, Iowa. Seventeen bulls averaged \$463.95; 17 cows and heifers, \$483.05. One hundred and forty-three head brought \$68,630, an average of \$479.95.

DEAR SIRS,—The cut shown is the Cement silo of Mr. James McIntosh, Seaforth, Ont., built with BATTLE'S THOROLD CEMENT, by Mr. A. E. Hodgert, July, 1900. Total cost, \$160. Size, 11 feet inside diameter; 30 feet high; 8 sided; 82 barrels of Cement in paper sacks; 50 cubic yards gravel; 3 cubic yards stone; 34 days labor for one man; Cement mixer 9 days; walls 14 inches thick at bottom; top, 7 inches.
