OBITUARY.

The Late Mrs. Carrick.

We regret to learn of the death of one of our oldest and most respected citizens, in the person of the late Mrs. Rickard Carrick. The sad event took place on the 5th instant. The deceased was the widow of the late Rickard Carrick, a popular and highly esteemed resident of Montreal. She was a sister of Mr. T. J. Finn, of the Gezette, one of the most widely known and generally respected members of the C. M. B. A. in the city. She was a native of Castle Connell, county Linerick, Ireland, and had reached the ripe age of sixty-eight years. The funeral, which was very largely attended, took place on Sunday afternoon from her late residence, 53 Prince Arthur street, to the Cote des Neiges cemetery. Mrs. Carrick was dearly beloved by all who knew her and was a fond and loving wife as well as a devont and faithful member of the Church. We had occasion to make her acquaintance in a casual manner about a year ago; it was in the very cemetery where now repose her ashes. She was going to pray at the grave of her husband, and in the few moments of conversation that we enjoyed, we learned how deep, true, and pious was her nature. The devotion to the memory of her lost life-partner and the expressions of bright hope in the resurrection of the dead and a union hereafter told more than might be gleaned from a life long acquaintance. Now that her remains sleep beside those of the one she loved so well, we unite with the Church in the fervent prayer that her soul may enjoy, with his, the eternal reward of unending union and bilss.—R. I. P.—Montreal True Witness, Sept. II.

MRS. MAURICE O'LEARY, OUEREC.

MRS. MAURICE O'LEARY, QUEBEC.
On the 5th September, at the presbytery of St. Catherine, county Portneuf, Quebec, the the residence of her son, Rev. P. M. O'Leary, parish priest, at the advanced age of ninety years and five months, Rose O'Donnell, a native of the county Denegal, Ireland, and widow of the late Maurice O'Leary, in his life-time of the city of Quebec, city assessor, and for many years Secretary and Treasurer of St. Patrick's church. The deceased lady, who had been for over seventy-five years a resident of Quebec, was also the mother of Mr. James M. O'Leary, of the post office department, Ottawa, and Mr. Thomas O'Leary, now of Montreal.

The Quebec Telegraph of Sept. 6 thus refers to the sad event: "Another and nearly one of the last of the respected "old standards" of St. Patrick's church, who were connected with it from the very beginning, has just passed away to her heavenly reward, in the person of the aged widow of the late Mr. Maurice O'Leary, in his lifetime one of our city assessors and also for many years successively Secretary and Treasurer of the old Committee of Management of the church. The venerable lady, whose long life, to the advanced age of over ninety years, was spent in the faithful performance of the duties of a loving Irish wife and Christian mother, breathed her last peacefully yesterday afternoon at 6:30, surrounded by all her surviving children, at the presbytery of St. Cath rine, Portneuf, of which one of her sons, Rev. Peter O'Leary, is the respected parish priest. She had been a resident of Quebec for over seventy five years and until late

years was one of the most familiar and respected figures in the congregation of St. Patrick's, with whom she was intimately associated from their very foundation, taking a prominent part in all good works, such as those of the St. Vincent de Paul Society, of St. Patrick's Council, of which her deceased husband was long President, and of the St. Bridget's Asylum, of which he was also one of the founders. She raised a large family, of whom, however, only three survive hermir. James M. O'Leary, of the post office department, Ottawa; Rev. Peter M. O'Leary, parish priest of St. Catharines, and Mr. Thos. O'Leary, now of Moatreal—all of whom were present at her bedside when the lamp of life gently flickered out, Father O'Leary having the consolation of administering the last rites of the Church to his dying mother. To the reverend gentlemen and to his equally sorrowing brothers we respectfully beg to tender the expression of our deep sympathy in their great bereavement.

MR. PATRICK HALPIN, ARTHUR TP.

Quietly and peaceably there passed away on Friday morning, at his residence on the 2nd concession of Arthur township, one of the earliest settlers and most highly respected citizens of that part of the township, in the person of Mr. Patrick Halpin. His health had been failing for some time, but as he was, up to a few days before his death, always able to attend to his business, no one expected so early a dissolution in the life of one who had reached the age of only sixty five years. Deceased was a native of the county Clare, ireland, having been born near Kilkee, in that county, in the year 1830. He came to Canada when about twenty-five years of and soon after his arrival in Hamilton he was engaged by the Great Western Railway Company and worked for them in the capacity of foreman over part of their line for tenyears. He then moved to Arthur township, locating on a farm on the 2nd concession, on which he continuously resided up to the time of his death. He was a frugal and in dustrous man, but withal a charitable, kind-hearted and liberal benefactor of any one who needed assistance, and stranger as well as acquaintance was always sure of a warm welcome and comfortable entertainment at his beauterness and hone time of a noble. Mr. Michael Feeney, of Bond street, who has been slightly indisposed for the last ten days, passed away this inorning at an early hour, at the time of his death he was not in bed but was seated in the room and complained of a tighness on his chest, evidently attributing his trouble to his usual affliction — asthmather one daughter and one son who also is ill. Channey Depew Tells of the Sensation His Opinion of Home Rule Caused in England.

Chauncey Depew arrived in New York Sunday morning from London and freely gave his views on the Home Rule question, which are highly interesting.

Mr. Depew said that something of a sensation was stirred a mong the Anglo maniacs by an interview which he gave to the London papers. One of the questions was: "What is the American idea of Home Rule and how generally are Americans of one mind

Speaking of this, Mr. Depew said:
"My answer was substantially that Home Rule is the corner-stone of our institutions and our people are practically unanimous on the subject: that there never had been any division among us as to Home Rule for Ireland, East Buffalo, N. Y. Sept. 23.—Cattle — The

According to them I was either grossly ignorant of American sentiment or a phenomenal liar. They said that beyond the politicians and political papers controlled by fear of the Irish vote all there is in our country which represents its intel ligence, its learning, its business and its society is opposed to Home Rule and in cordial sympathy with the ideas and principles of the Tory party. Moreover they told me personally that

I would be ostracised for such talk. "Then from The Westminster Gazette came its representative with a stenographer and a request for an interview. After reiterating the statement before given, I enforced it by stating that the daily and weekly preof the United States, without any exception, had editorially supported Mr. Gladstone and his measure; that many of the State Legislatures had unanim ously passed resolutions favoring it and that the House of Representatives by unanimous vote had received Mr. Parnell.
