CERTIFICATES OF CURE. This may certify, that Amos Gates, of Willmot, in the Cu ity of Annapolis came before me and stated that, in the year 1870 he was afflicted with a pain in his left side, attended with a severe and distressing cough, and was relieved by using Dr. Caleb Gates' No. 1 and No. 2 Nyrups; and since that time, and in fact before, he has taken is at va-rious times for coughs and colds, and has always exper enc. d relief when using it. And in the fail of 1872, he was seized with a most violent pain across his boyels, and feit that unleas he obtained relief from some source, he could not long sarry. He sent for Dr. Gates' medicines. The do 'f learning from the messenger sent, that the patient was very ill, went himself and administered the medicine, and found it was a very severe case. The medicine, there being great symptoms of ia-flammation, there was a so used as di ected on the bottle, one bottle of No. 2 Bitters. The 'suit of the combined medicines produced the most pleas ing and satisfactory effects-restored ease, confort and health in the shortest possible time. He also is take that is moter has taken is frequently for coughs, colds and offerent complains, and the re-sait has been in every case the most satisfactory. He further states, that the would recommend its use most heartily as a general family medicine. Sworn to at Middleton, this 10th day of March, 1873, bafore me, J. Wastender, J. P.
