Registi tion of Letters containing Money, Checques, or Articles of Value.

NOTICE TO THE PUBLIC.

Gen. Agent for New Brunswick, Nova Scotia,

P. E. Island, and Newtoundland.

The Post Office Department having gone to a great deal of trouble and expense to ensure, as far as possible the safe transmission of money by Mail, it is much to be regretted that the public will still continue to send through the Post Office letters continue t

he senders of the money in unregistered letters night unreasonably urge that if they chose to en-

really but the smallest part of the evil associated with the practice.

The point of most importance to this country is the cruel temptations which the enclosure of money in unregistered letters throws in the way of the nubody of persons employed in this branch of the public service.
"Against actual dishonesty on the part of the

counter the risk, they should be free to do so; but higher considerations are involved in the question, and the chance of loss to the careless remitter is

egistered stamp.
"Moreover, the safety of an unregistered letters dependent on the integrity of a Post Office clerk during the whole time it remains in his custody, frequently for hours and even days, whilst a regis-tered letter will almost invariably have to be ac-

would earnestly reccommend their attentive per-sual, especially by those who are in the habit of sending money &c, by mail, in unregistered letters; and I would further suggest that letters containing money should invariably be sealed with letter seal-
