

BANK STOCK

IMPORTANT ANNOUNCEMENT

WE WISH to inform Western Farmers, Workingmen and Merchants that we have been appointed by THE HOME BANK OF CANADA, sold agents for selling their stock in Western Canada. At present almost all the stock of our Banks is owned in the East. We want to give Western men a chance. The great bulk of the business of our Banks is done on the money deposited in them. The common people, farmers and workingmen, contribute the greater bulk of these deposits.

Our Purpose.—To make THE HOME BANK OF CANADA THE GREAT COMMON PEOPLE'S BANK.

Our Plan is simple. 1st: To get every farmer and workingman in the West, who can afford it, TO BUY AS MUCH HOME BANK STOCK AS HE CAN, and, 2nd: To get every farmer and workingman wherever possible TO PUT HIS MONEY, WHEN HE HAS ANY TO DEPOSIT, IN THE HOME BANK.

The Result.—The strongest Bank in the west, which will have regard for the interests of the common people and no particular class, and a Bank also that will pay good dividends upon its stock. Bank stocks are profitable investments. See our Prospectus for fuller information. Get busy. Use your head and think this out. Then turn that money you have deposited in your bank into Home Bank Stock where it will earn good money. Read our Prospectus, and write us for information.

NOW WILL YOU BE GOOD, REUBEN?

Pater—"Shame on you children, to worry old Reuben so. You know someone must provide the swill."

The Children—"Yes, but he needs a scare to keep him in his place. It seems he has been finding fault with us and wanting to restrict our food supply."

Mater—"Sweet children, the pater is right. I often chide him for being too indulgent to you, but whenever he is out you get the best of treatment from me. But you know that while we have no respect for Reuben we cannot do without him."
