Invisible given only by their Proprietors as honorable have found relief, and been restored to sound and perfect health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes of diseases put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and decayed vegetation, whole families are taken down by Malignant Fevers, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No great can be so ignorant as not to know the great danger existing from a bilious stomach, and no parent would be without a box of

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superiority of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow list of the skin, languidness, restlessness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disease, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to cure any child or family from any bilious sickness for months to come. A dose or two of these Pills, from 1 to 2, or 3 pills each, and excellent Pills for a child, from 3 to 5 pills as an adult, and from 4 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. They, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and every all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, and in a condition to permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the human body, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the cause of disease. The Forest Pills do not weaken, but give strength and restorative to both body and mind. They relieve at once, without any inconvenience whatever, and those persons that can be able to attend to their business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public. In divisible of north and south of us, and in every part of the country have introduced us to the world in the hope of their general use in curing disease.

We could after a triumphal showing their great powers of curing in almost every class of disease have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

Utica, November 2, 1849.

Dr. G. W. HALSEY,—Every fall, for several years past, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occured in my family, I had always employed a Physician. But at this time I concluded to try the D. I gave them each three Pills according to directions. They soon operated freely, giving much thrift and great relief. On the following day the fever had left them entirely, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

BALLANGUEE, Pilot.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the nuisance, without success. Having been duly recommended Smith's Exterminator, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my premises were infested, and that without the inconvenience.

VILLENEUVE,
Director of Montreal College.

Montreal, April 20, 1846.

From the Rev. R. Davis, D. D., Minister of the Baptist Church.

I most willingly bear testimony to the good effects of Smith's Exterminator. I found my greatest dwelling overrun with Beetles; the nuisance was intolerable to my family, and I was advised to procure Smith's Exterminator. One box of the powder was sufficient to destroy the insects almost entirely from the house. Similar causes of success have occurred in my neighborhood.

THIS GALVANIC EMBROCATION is so superior to all other remedies for the Cure of Rheumatism, Acute or Chronic, Neuralgia in the Head, Joints or Limbs, Tic Douloureux and Gout, in its worst forms, Palsy, Numbness or Kings Evil, Spinal Affections of the Kidneys, Sciatica or Lumbago, Sprains, Bruises, Stiffness or Contraction of the Muscles, Chilblains, Frost Bites, Salt Rheum, Ring Worms, White Swellings, Sore Throat, Quinsy, Croup, Contraction of the Hamstring Sinews, Scrofula and Scrofulous Affections of the Neck, Piles, Stone of the Bladder, Gravel, Dropsy, &c. &c.

It is now beyond question, by the thousand and one cures performed by its use, that the application of Galvanism to the human system, when properly administered, is in fact the principle of Vitality or Life, and that disease in every of its forms or shapes is caused by the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply the vivifying power to the system, we can as readily remove the cause of disease; and this has been fully proved and established by the most wonderful scientific discovery, of combining Magnetism with Galvanism, by which we put the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, but will bear us out in the assertion of this city, writes as follows:—

Dr. Sherwood's Galvanic Embrocation, I regard as the most effectual and certain cure for Rheumatic affections. I have used it in my own person, and in that of my children, a daughter of 8 years old, was afflicted with a very painful disease and protracted scrofulous affection, which had continued for seven years, and defied every variety of treatment, and was pronounced incurable. From various testimonials which I have received, I find that it has never exhibited itself in several cases of recovery from the discharge from which was surprising, and the cure effected. At the request of Dr. Sherwood's Galvanic Embrocation—the only remedy used in connection, was a decoction of sarsaparilla, which soon conquered the disease, and a complete cure was effected.
