Mr. Howie is not only a speaker of international importance, but is well known in golfing circles. The event is under the auspices of the Rotary Club and members of the golf club are most heartily invited to be present.

NEW COAL DISCOVERY.

A discovery of anthracite coal in Canada, and much nearer to Brantford than the Pennsylvania source of supply, is reported to have been made by Mr. H. A. Harrington and Mr. T. D. Dunlop, of Toronto. Mining rights on a thousand acres have been obtained, and a syndicate of Ontario coal men, for the purpose of commencing boring operations, has already been organized.

W. H. A. GRANT.

It was Ald. Harp who moved the resolution at the city council for a grant of \$500 to the W. H. A., seconded by Ald. Chalcraft. As chairman of the finance committee, Mr. Harp from the first interested himself most cordially on behalf of the request of the association.

INCOME TAX RETURNS.

It is announced by the Minister of Finance that the extended time within which income tax returns may be made expired on May 31. Responses on the part of the public have, he stated, been fairly satisfactory, but there are still many in the community who have not yet complied with the provisions of the act. Those who, after receiving notice, fail to make returns, will, it is stated, be made liable to the penalties in the act, which amount to \$100 per day for every day of default.

CRICKETERS TO HAMILTON.

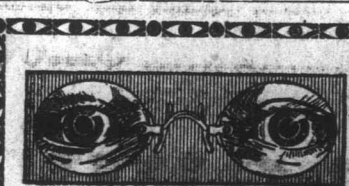

Local cricketers are practising on the O.S.B. grounds this evening, after which a meeting will be held to make final arrangements for the match with the Hamilton St. Georges on Saturday next.

LIBRARY CLEANED UP.

The Public Library grounds have been cleaned up and the flower beds laid out for the summer.

Experience, based on comparison, is the greatest teacher. We learn by comparing this with that. If we cannot see "this" and "that" in correct proportion — we cannot learn easily.

COUNTY COURT.

County criminal court and general sittings will be held next Monday, June 10th. Wm. Thompson and Renald Young will appear on a charge of the theft of cattle near Hamilton.

GIRLS BEAT VETS.

The War Veterans were last night defeated by the Slingsby girls' football team at Holmedale Park, the score being 6-5. The Vets were in good condition and the ladies had a rare time teaching them how soccer should be played. Sgt. Stanbridge playing goal for the G.W.V. and Hutehson and Irish had a busy time holding forward positions. The soldiers still have hopes that they will prove themselves better than Watson's, whom they expect to meet next week. There is, too, a rivalry between Slingsby's and Watson's for the Holmedale championship.

MISTAKEN IDENTITY.

J. M. Patterson, ex-Mayor of Paris, this morning expressed doubt that it is his son, Lt.-Col. W. R. Patterson, who was yesterday reported to have been raised to the rank of Brigadier. Lt.-Col. Patterson is in command of the 4th C.M.R., while another of the sons, Lt.-Col. R. W. Patterson, attached to the Fort Garry Horse, is the one who has received promotion. Similar confusion has arisen before, as both officers have won the D.S.O.

HAMILTON NOW.

The boot is on the other foot now, and Hamilton, only a week ago so justly indignant because Brantford irked under the O.E.A.A., is now talking in a like strain. Says The Herald: There was a rumor in circulation today that the City League at its meeting tonight would decide to withdraw from the Hamilton Amateur Baseball Association and throw its organization open to professionals and amateurs. It was denied, however.

RE-EXAMINATIONS.

An increasing number of re-examinations before the Medical Board of Review are being ordered by the Appeal Tribunal Judges, although at present no ruling exists by which all men who ask a re-examination are to be granted one. In reply to a question asked by Mr. Justice Kelly concerning this point, the Ontario Registrar states: "The military authorities have instructions to re-examine all men immediately after their report for service, and once a month during their training. I think the re-examinations given by the military authorities should be sufficient guarantee that no man will be sent overseas who is not physically fit."

POLICE COURT.

A Market street merchant, appeared in the police court this morning charged by Detective Schuler with a breach of the early closing by-law in remaining open after the specified time in the by-law. He was fined \$5 and costs. Three Italians, Joseph Lami, Adolph Granillo and Michael Russo, were charged with a breach of the M. S. A. by Dominion Police-man Vaughan. They had a difficult time proving the fact that they were Italians, and were finally allowed to go on the payment of costs, \$4.85 each. Vaughan, in turn, paid \$10 and costs when found guilty of assaulting Ruggiero Tonna. Charles Sowers appeared on a charge of forgery. Five years ago Sowers forged two promissory notes, having a face value of \$135. The crime was not traced to his hand until recently. He was ordered to pay a fine of \$100 and costs, \$19.06, with an option of six months imprisonment.

BIG SPORTS DAY.

Brantfordites will have a rare afternoon of sport offered them at Agricultural Park on Saturday afternoon, when, in addition to the double-header in the city baseball league, Brantford United will meet Toronto Scottish, the leaders of the Provincial League. On the soccer field, the locals are out to lower the colors of their doughty opponents, who have not suffered defeat this season, and the battle will be a royal one. If Brantfordites are interested in good football, they will have an opportunity of demonstrating their enthusiasm on Saturday.

ATTEND CONVENTION.

Local Board of Trade representatives will attend the Provincial Highways Association convention in Hamilton to-morrow afternoon.

O.S.B. GROUNDS CLEANED UP.

The grounds of the O.S.B. have received a general clean up and the dead wood and trees cleaned out, resulting in a very fine appearance.

PERMIT ISSUED.

The city engineer's department has issued a permit to C. H. Watson for alterations and repairs to be made to a brick dwelling at 26 William street estimated to cost \$1,000.

MUST JOIN DEPOT UNIT.

At the present time men who come under the M.S.A. and who are desirous of signing up with the Royal Air Force, must first enlist with a depot battalion of the infantry, and they can later be transferred to the aviation branch of the service. The fact that the men were discharged from the defunct Flying Corps would in no way exempt them from the workings of the Military Service Act.

SOCIAL EVENING.

The Y.L.M.C.A. of Shennstone memorial Church has entertained last evening at the home of Mr. and Mrs. George McKay, 172 Sydenham street. Guests, to the number of 21 sat down to a very dainty supper after which games and contests were heartily entered into. Miss Shaw carried off the prize for the contests. The guest of honor was Miss Silmon, who leaves shortly for Toronto, and during the evening she was "showered" with handkerchiefs. Much merriment was caused by the original verses pinned to the "kerchiefs." Miss Silmon made a suitable reply and the gathering dispersed at a late hour.

ZIONIST BAZAAR OPENED

A Splendid Entertainment Furnished by Hadassah Chapter Last Night

Commencing a bazaar, which will last three more evenings, the Hadassah Chapter of the Brantford Zionists last evening held a very successful entertainment in the old Y. M. C. A. Hall.

There is an object in view of \$2,000 for the four day entertainment, and of this an ample portion was secured last night, the large audience being well pleased with the bazaar. Mr. D. Sweet, of Hamilton, acted as a capable chairman, and commenced the program by calling on Rabbi Berger, of his city, for a blessing for the success of the fund. The Rabbi paid a fine tribute to the British nation, and the assistance it was giving to the reformation of Palestine.

Mayor MacBride was present, and in endorsing the work of the local workers, expressed his wish for the success of the entertainment. The fund was one most deserving, and the complete restoration of the Holy Land was now very possible, thanks to the fine work of British troops there. The audience were entertained by the McKay players, who are performing at the Brant Theatre, Highland music, dancing and singing being well rendered by Julius Cohen, Dundas, violinist, pleased, all with several musical renditions. The booths, represented as it were, a most variable department; storing and everything from a pair of shoes to a good cigar was purchasable. Articles, all in the best of condition, and all saleable, too numerous to mention were sold at reasonable prices. The booths presented something different to the "rummage sale" class. They were all attractively decorated with flags and bunting upon lattice work, very pleasing to the world or would not be purchasers. The designs were nicely decorated, and evidenced considerable work on the part of the management.

Those in charge of the booths were: Ice cream—Mrs. P. Shear, Mrs. Carroff, Mrs. L. Henkle, Mrs. Soft drinks—Mr. Lunenburg, Mr. H. Levine. Fancy goods—Mrs. B. Zipper, Miss Frances Nadelman, Mrs. M. Nausbaum. Boots and shoes—Mr. S. Levine, Mr. M. Nausbaum. Cigars—Miss S. Vinick, Mr. Louis Shear. Candy and fruit—Miss Doris Shear, Miss B. Rosenfield (of Toronto).

Drugs and flowers—Miss O. Shear, Miss S. Gluck (of Simcoe). Miscellaneous—Mrs. Lipovitch, Miss I. Levine. Groceries—Mrs. M. Meyers, Mrs. M. Losey, Miss Skv. Dolls—Miss Cohen (of Buffalo); Miss E. Shear. Japanese tea room—Miss Leta Pettit, Miss E. Cook, Miss G. Pettit. Mrs. S. Fox is president of the Hadassah Chapter, which was responsible for the bazaar, and most credit can be reflected on the management of the affair. Mr. R. Symons and Miss F. Nadelman were the chief representatives of the Brantford Zionist Society.

PRESBYTERIANS MEET AT LONDON

Canadian General Assembly for 1918 Will Convene There Tonight

By Courier Leased Wire
London, Ont., June 4.—Wise men of the Presbyterian Church in Canada from the far east and the far west are arriving hourly for preliminary

work in connection with the 1918 general assembly of the Presbyterian church, which convenes in St. Andrews' church on Wednesday evening. Prominent among those who have reached London are leading educationalists. The assembly has special interest for them in view of the fact that the question comes up of centralization of control of all colleges as a war time measure. They have also business to attend to in connection with the recent visit of ministers from other churches.

From the far west comes Rev. Dr. John MacKay, principal of Westminster Hall, and Prof. D. C. Prof. D. C. has been offered the principalship of Queen's Theological College,

to succeed Rev. Dr. Gordon. Rev. Dr. B. B. Baird, moderator of the last world wide assembly of 1916, is the first representative to reach here from the "Wheat City."

Prof. Falconer of Halifax, whose father, Rev. Dr. Falconer, was moderator of the last London assembly in 1906, and whose brother is St. Thomas University, came in last night.

Another far easterner is Rev. Mr. McIntosh, from Sydney, Cape Breton. Rev. Principal Gaudier of Knox College, Toronto; Rev. J. A. Duncan, D.D., and Rev. David Ramsay, came up from Toronto and Rev. Henry D. Dickie, moderator of the

Synod of Hamilton and London from Chatham.

Rev. Dr. Duncan is here in connection with the exhibit of church publications.

A meeting of the finance board in connection with local arrangements was held last evening, giving a most satisfactory report.
