WE ARE HERE TO SERVE YOU

Pratt's Baby Chick Food

is not a scratch food, but in meal form, to be mixed into a smooth paste with water. It is fed only for the first week or 10 days of infant chick life, and is highly recommended by experienced poultrymen as the best food to start young chicks with, for insuring a healthy sturdy growth.

2 lbs. for 25c 4 lbs. for 45c

Formalin and Formaldehyde

used in treating Seed Grain for the prevention of Smut and Seed Potatoes for the prevention of Scab. 16 oz. is required for a 32 gallon barrel of Regulation Treating Solution.

16 oz. Formalin with your bottle	1.40

Junior Base Ball League

At a meeting of the Junior Base Ball League the following officers were elected: President, Dr. D. A. Hopper; Secy-Treas., M. Williamson. The selection of a Vice-President has not as yet been made. The Executive Committee will consist of the president, vice-president and the managers of each team. The following schedule has been made for the season and so far as is known at present will be carried out. The Strabane team has not definitely decided to enter the league, but it is expected they will do so, if not some other team will be given the place.

May 15	Carlisle - Flamboro Centre at Carlisle
	Waterdown-Strabane at Waterdown
May 22	Waterdown-Flam. C. at Flam. Centre
	Carlisle-Strabane at Strabane
May 29	Flam. C.-Strabane at Strabane
	Carlisle-Waterdown at Carlisle
June 5	Flam. Cen-Carlisle at Flamboro Cen.
	Waterdown-Strabane at Strabane
June 12	Waterdown-Flam. C. at Waterdown
	Carlisle-Strabane at Carlisle
June 19	Flam. C.-Strabane at Flam. Centre
	Carlisle-Waterdown at Waterdown
June 26	Flam. C.-Carlisle at Carlisle
	Waterdown-Strabane at Waterdown
July 3	Waterdown-Flam. C. at Flam. Centre
	Carlisle-Strabane at Strabane
July 10	Flam. C.-Strabane at Strabane
	Carlisle-Waterdown at Carlisle
July 17	Flam. C.-Carlisle at Flam. Centre
	Waterdown-Strabane at Strabane
July 24	Waterdown-Flam. C. at Waterdown
	Carlisle-Strabane at Carlisle
July 31	Flam. C.-Strabane at Flam. Centre
	Carlisle-Waterdown at Waterdown
August 7	Carlisle-Flam. C. at Carlisle
	Waterdown-Strabane at Waterdown
August 14	Waterdown-Flam. C. at Flam. Centre
	Carlisle-Strabane at Strabane
August 21	Flam. C.-Strabane at Strabane
	Carlisle-Waterdown at Carlisle
August 28	Flam. C.-Carlisle at Flam. Centre
	Waterdown-Strabane at Strabane
September 4	Waterdown-Flam. C. at Waterdown
	Carlisle-Strabane at Carlisle
September 11	Flam. C.-Strabane at Flam. Centre
	Carlisle-Waterdown at Waterdown

Flamboro Centre

The Flamboro Centre Ball Club held their first meeting of the season on Monday night. The following officers were appointed.

President—John Kerr
Secy-Treas.—W. O. Alderson
Manager—Clarence Payne
Capt.—Harold Baker

The team has joined the Junior League and are practising hard to be in shape for the opening game with Carlisle on May 15.

Choral Club Concert

The final concert of the Choral Club will be held on Tuesday evening May 11th in the Rink. In addition to the program of local talent will have the assistance of Mr. J. C. Lougheed, whistler and trombone player, of the 91st Band, Hamilton. Mr. Lougheed is declared by those who have heard him, to be marvelous in his imitations, and he also has the rare ability of double stopping on the trombone, something exceedingly difficult, so that an unusual treat is being offered by the Choral club.

The choral numbers include a splendid patriotic number "Sailors of the Sea" by Jackson. "The Ninety and Nine" a very lovely arrangement of the well known hymn, in chant form, by Wheeler; also a requiem by the same composer, particularly appropriate at this time. "Sing of Our Fallen Brave" the words by the well known author Marion Keith. An arrangement of "Sweet and Low" by Mason, and a humorous Round complete the choral part. There will also be other special features of which further particulars next week.

School Gardening

Gardening is systematically carried on by the public schools in many of the Canadian cities as a part of the educational course. Dr. J. H. Putman, Senior Inspector for Ottawa public schools, in the March number of the Agricultural Gazette published by the Department of Agriculture at Ottawa, describes the system under which this work is done in the Capital City.

The school garden is referred to as a big class room for outdoor instruction in plants and plant life. It has many of the possibilities in miniature of an experimental farm. It has to do with the composition and fertility of soils, with drainage, with seed germination and with insect enemies of plant life. It shows in a way that cannot be questioned the effect upon plants of too much or too little sunshine or moisture and the bad effects of weeds and the necessity of giving a plant plenty of room if we wish to secure a high state of development. Dr. Putman points out that these things would mean nothing to children if recited from books or told by teachers. These things taught through a garden where the children prepare the soil, sow the seeds, and care for the plants cannot be without good results.

In addition to a central garden of one acre the plan involves the organization of home garden clubs, each representing a school. In the three years 1917-18 and 19 about 1,000 pupils from second and third book classes received gardening instruction. The school board paid forty dollars to each teacher who managed a club garden. Every pupil member was required to keep an accurate record of planting, cultivating and other activities. The aim is to grow every thing possible from seed. Cold frames are found to be a valuable addition to the equipment. In the central garden instead of giving pupils very small individual plots, a plot 32 by 43 feet for vegetables and 16 by 20 feet for flowers is given to each class. This garden is having a permanent perennial border established which will give a succession of bloom as well as an opportunity to show the children what they may have in their own home gardens.

The By-Election

The By-election last Monday made necessary by the resignation of councillor J. V. Markle, was a keenly contested affair, a very large vote for a by-election being polled. As in most elections something must be brought out as an issue, and in this case the Memorial hall was made the target. While neither of the candidates are opposed to the building of the hall, never the less it was made the bone of contention. J. W. Griffin the successful candidate received 92 votes and Mr. Stan. Sawell 67. Mr. Griffin served in the council last year but declined to run again when the new council was elected, and only decided to enter the by-election after considerable persuasion by friends. Mr. Griffin is efficient and no doubt will serve the people to the best of his ability. Mr. Sawell is one of our returned men who has a military record to be proud of, and had he been elected would have made a capable councillor.

Peterson-Flatt Wedding

A very pretty but quite wedding was solemnized Wednesday afternoon at the home of Mr. and Mrs. W. R. Flatt when their eldest daughter, Margaret Eleanor, was united in marriage to Mr. Elmer F. Peterson of Youngsville, Pa. Rev. R. A. Facey officiating. The bride was prettily gowned in white and carried a bouquet of roses and sweet peas. The bridesmaid was Miss Elva Foster of Bradford, Pa., cousin of the bride, while the groom was ably supported by Mr. Wilbur Eckbeck of Jamestown, Pa.

After the ceremony a bounteous wedding dinner was served, the young couple leaving shortly afterwards on the evening train for Toronto and other eastern points before proceeding to their new home in Youngsville Pa. The bride is one of Waterdowns popular young ladies, and many hearty good wishes follow her to her new home.

Strip Tickets Canceled

On and after May 1, the ten-trip commutation tickets to any point on the G. T. R., C. P. R. and T. H. & B. will not be honored for passage, according to a notice sent out yesterday to the railway ticket offices. The notice is signed by G. H. Webster, secretary of the Canadian Passenger Association, but is not considered an official order, but merely an advance notice that the commutation tickets are to be either canceled or the price increased.

According to ticket agents, the notice is not accepted officially by them, and they will continue to sell commutation tickets until they are officially advised of a new tariff. Some time ago the C. P. R. endeavored to raise the commutation ticket prices to Waterdown from 85c for ten trips to \$2, but this order never went into effect. The railway board also, some time ago, ordered that commutation tickets could not be canceled, but later permitted an increase in the rates to be made.

At a special meeting of the village council last night it was decided that the council go to Toronto to-day and endeavor to have the railway company reconsider the new rates so far as Waterdown is concerned. While in Toronto the council will attend the Hydro Radial meeting which is being held there to-day.
