**Presentation At Ottawa To Mrs. Robert  
I. Borden**

The Conservative Members of the House of  
Commons Give Beautiful Automobile to  
Wife of Prime Minister.

Ottawa, May 11—At the close of  
this morning's session of the House  
of Commons, conservative members  
presented Mrs Borden with a five  
thousand dollar electric automobile.  
The address of appreciation, signed  
by all conservative members, was  
read by Clarence Jameson, M. P.

When Mr. Jameson had finished,  
Mrs. Borden said:—  
"I do not know what to say. I  
am too sleepy. You are all very kind.  
I will have to let Mr. Borden speak  
for me."

"The leader of the government,"  
said Mr Borden laughingly, "seems  
to have resigned from her functions  
for the first time in my recollection.  
On behalf of my wife and myself I  
must thank you from the bottom of  
my heart for this expression of kind-  
ness. The sentiments which are con-  
tained in the address are my own  
in regard to her. I wish to tender  
our grateful thanks for the address  
and the beautiful and valuable pre-  
sent. One of the rewards of public  
life is that we are brought closer to-  
gether. We have fought and labored  
side by side with every loyal ap-  
preciation of each other. During the  
past six months we have gone thru  
the most strenuous session since  
confederation. I must thank you  
for the loyal and splendid support  
which has been given to myself and  
the members of the government. In  
conclusion, let me thank you from  
the bottom of my heart for my wife  
and myself.

**Minard's Liniment Cures Garget in Cows**

The teaching profession through-  
out the Maritime Provinces will be  
glad to learn that the Educational  
Review, which for so many years  
was published by G. U. Hay, will  
be continued. It is understood that  
Miss Robinson, who for a number  
of years has been engaged in con-  
ducting a private school in St. John,  
will assume the editorship. Miss  
Robinson is a talented young lady  
and an experienced teacher and the  
Review should continue to receive  
the support of the teaching profes-  
sion in general throughout these  
Provinces.—Ex.

—Lake Winnepesaukee was frozen  
over on Thursday last and many  
pleasure boats were frozen in ice  
one-quarter of an inch thick. A heavy  
frost covered the ground and it is  
feared the apple, pear and peach  
crops will be damaged.

Mrs. Davidson, formerly Mrs. H.  
M. Bailey, has recently purchased  
the Z. S. Banks property at Wil-  
mot Station and we understand will  
build a residence upon it in the near  
future.—Ex.

The closing exercises of Kings  
College, Windsor, took place last  
week, and were largely attended.  
Kings has had a very prosperous  
year, and the outlook for the future  
is very hopeful.

**Minard's Liniment Cures Diphtheria****CLOSING OF THE PROVINCIAL LEGIS-  
LATURE**

The Nova Scotia Legislature pro-  
ceeding Wednesday afternoon having  
had a session lasting thirteen weeks  
less two days. The longest previous  
session was ten weeks. While the  
number of bills was less than for  
several years past the contentious  
questions that came before the  
house caused sharp and prolonged  
discussions.

The opposition made a much more  
vigorous fight than ever before.  
Noted matters disposed of were the  
so-called Robert bills regarding the  
Halifax Electric Tramway in which  
Mr Robert suffered two reverses,  
through his third bill, now through  
the house is a partial success for  
him. A great deal of interest cen-  
tered round amendments to the  
public utilities act which on the  
whole has been mand rather more  
favorable to Robert than original-  
ly proposed by the government.  
The opposition made serious charges  
against the management of the gov-  
ernment farm at Truro and the  
investigation resulted in the bring-  
ing in a majority and minority re-  
ports.

Sick headache results from a dis-  
ordered condition of the stomach,  
and can be cured by the use of  
Chamberlain's Stomach and Liver  
Tablets. Try it. For sale by Drug  
gists & Dealers.

A blanket of snow covered a  
large proportion of the seeded area  
of southern Alberta on Thursday.  
For forty-eight hours snow had been  
falling steadily, deferring the open-  
ing of the baseball season, but hast-  
ening the crop of next fall.

For soreness of the muscles whether  
induced by violent exercise or injury,  
Chamberlain's Liniment is excellent.  
This liniment is also highly esteem-  
ed for the relief it affords in cases of  
rheumatism. Sold by Druggists &  
Dealers.

Fred S. Cameron, Amherst's  
speedy long distance runner has left  
for Chicago, where he will spend a  
year taking a course in physical  
culture work.

The carpenters of Halifax, after

go to work again at the increased  
pay offered at the commencement
