FURTHER EXTENSION PARLIAMENT WILL BE ASKED BY GOVERNMENT

Toronto, Nov. 3.—Hon. A. E. Kemp, who stated that he came direct from cabinet deliberations at Ottawa, reached Toronto this evening proceeded to a meeting of Ward One Conservative association and communicated to the meeting, on behalf of Dominion Government, its intention to seek from Parliament another appeal to the British house for a further extension of its term of office. He said:

"If constitutional considerations were alone regarded it would have been proper to have held an election in the autumn of 1914 or 1915.

The higher consideration of the public interest and decent regard for public opinion were taken into account by the Government and an extension of the parliamentary term was proposed for reasons which apply with equal, if not greater force to such further extension as will make an election unnecessary during the continuance of the war.

For these reasons the Government proposes to ask for such further extension as may be necessary, and upon the liberal party will rest the responsibility of determining whether a war election shall be avoided, or whether party strife shall be precipitated and carried on during the pending struggle."

PRESENTATION AT BERWICK

A large and representative gathering of ladies met at the home of Mrs. (Dr.) Harris, president of the Berwick Red Cross Society to do honor to Mrs. P. F. Lawson. Mrs. Lawson has been secretary to the local branch since its formation and has been indefatigable in the performance of her duties. The address which was read by Mrs. Wm. H. Woodworth, president of the Women's Institute, was most eulogistic and expressed the deep sorrow of all at the departure of Mrs. Lawson who goes to join her husband in Halifax. The gift of the ladies, a beautiful clock and inkstand and pen was presented by Mrs. (Dr.) McNally, vice president of the Red Cross, to Mrs. Lawson, who made a feeling reply. Refreshments were served and the gathering ended all joining hands and singing "Auld Lang Syne."

RECRUITING FOR THE 246TH BATTALION

The Halifax company of the 246th attended divine service at St. Mary's and St. Paul's yesterday morning. Major Cutten, second in command of the battalion, is now in Cumberland County, carrying on recruiting work, and Lieutenant-Colonel Parsons, O.C., of battalion, leaves this morning for Cape Breton. A vigorous recruiting campaign is being carried on all through the Province. The battalion is now 500 strong, and it is expected that with the campaign now being carried on it will be recruited up to full strength by December 1st. In the absence of Colonel Parsons and Major Cutten, Major Bligh, of the Halifax Company, will act as O.C.—Herald.

Premier Borden's message is a fresh call to the young manhood of Canada to rally to the standard of liberty, and by their courage and devotion wrest victory from the enemy, who would crash liberty under their iron heel of military despotism. It is a call which must be answered if right is to triumph over might.—St. John Globe.

T. L. Harvey, of Wolfville, and F. W. Bishop, of Paradise, members of the board of management of the United Fruit Companies of Nova Scotia are in the city, guests at the Queen. They are much pleased with the returns so far received for apples and their only regret is the fact that the crop is below normal. The co-operatives have been very successful in making good sales for potatoes in Havana and fortunate in having their shipments arrive in good condition considering the amount of rot that appeared in the earlier varieties.—Herald.

The French Hold Verdun Forts Firmly

Paris, Nov. 3.—The French occupied Fort Vaux last evening, after waiting for the cessation of great explosion inside the fort, the war office reported today. The fort, evacuated by the Germans yesterday, passed again into the possession of the French without loss to them. The Germans gave up the fortress, the statement says, as a result of the violent French bombardment and the gradual closing of the French troops. The re-entrance of the French into this position was not contested.

The ring of Verdun forts is not established and is held formally by the French. On the remainder of the front, the communication says, there were no happenings of importance.
