FOR CLEANING CARPETS USE SUFFICIENT

### "YOUNG TOM" to make a pailful of rich suds. Take a sponge

or woollen cloth (sponge preferred) dip into suds and squeeze until reasonably dry; wipe over surface of carpet, covering a small area at each time, then after thoroughly rinsing in clean water take sponge and go over soaped surface thus removing all traces of soap from the carpet. Sponge over the whole carpet in this manner and you will find that you have it thoroughly clean.
