ELDER MILLS.
ELDER MILLS, Oct. 20.—Mr. E. Han-
tton returned Saturday evening from
a short trip to the western counties.
Mr. Sam. Barry having been re-
leased from the county boarding house at
Perth made his appearance here last
week.
Two steam threshers have been at
work in this vicinity lately. The
traction engine belonging to the Davis
Bros. was the first of the kind ever
seen here, and was viewed with much
interest. The other engine is owned
by Mr. Jas. Hall, near Addison.
A fine monument was recently plac-
ed in the graveyard here, the monument
of the late Edward Bellamy and
his father, mother and child. The re-
mains of the father will be moved from
Athens. The monument was erected
by the remaining members of the Bell-
amy family, and is a much desired
mark of respect to the memory of the
one who is buried here.
LYN.
Lyn, Oct. 20.—The W. C. T. U. have
opened a library and reading room
here young and old men can spend
the long winter evenings. Their ice
cream venture having proved a success
they feel encouraged to go on in the
good work. Oysters will be supplied
during the winter on Saturday even-
ings, instead of ice cream.
The roller mill is running night and
day by steam.
Rev. Mr. Phillips has been very ill
and unable to fill his pulpit for the
past three Sabbaths.
On Sabbath, 12th inst., the Church
of England harvest thanksgiving ser-
vice took place. The church was taste-
fully decorated for the occasion.
Wm. Lee and family have the sym-
pathy of all in the loss of their eldest
child with scarlet fever on the 16th.
Yesterday a man from this county
came to the village with a job for
the wagon maker and to procure a supply
of flour, etc., and was surprised on be-
ing informed that it was Sunday.
A barrel of whisky contains forty
pills on 320 pint bottles. Find the
number of barrels brought into the
village under license and multiply by
the number by bottles, and you will
not be surprised at the number of
young and old men you see full around
the streets and elsewhere.
WESTPORT.
Our public school trustees have en-
gaged Mr. Wetherall as bus pedagogue
for 1891.
The Presbyterian social held at Mr.
McKnight's was well attended.
We have been glad to understand
that the Methodists intend erecting a
new parsonage on the church grounds
in the near future.
Mr. J. H. Whelan has acquired the
Portland Marble Works. John can
sell tombstones as cheaply as any one
in eastern Ontario.
A Mission Band has been organized
in connection with the Presbyterian
Sunday School.
The editor, reporter, etc., of the
Westport Journal took an outing this
week and left their readers without a
paper. However they were kind
enough to give timely warning and
thus save disappointment.
Rev. Mr. Campbell, of Oliver's Ferry,
intends holding special services in the
Blair settlement, commencing on 27th.
No less than 20 new houses have
been built in Westport during the past
year and a half. This is in itself a
good recommendation of the business done
in the village at the head of the lake.
A grand parlor social in aid of the
Methodist church will be held at Mr.
Wm. Wing's on Friday evening next.
We are in receipt of a letter from
the western part of the province on
the have the McKinley Bill has caused
in the barley market. One commis-
sion merchant lost nearly \$300 in 10
days on account of the duty. Even in
our midst its effects have been already
felt by the farmers who have any horse
flesh to sell. There are some of the
grand (?) results of yankee retaliation
to Foster's high tariff system.
