Are You Drowsy?

Wary all day? With heavy feelings, aches, dizziness, bad breath, constipation, indigestion, sallow complexion?

Then, your liver is out of order. A few doses of Dr. Pitt's Pearl Pills will set it right.

They energize, strengthen and regulate stomach, liver and bowels.

They gently help Nature to help herself—they'll brighten you up in no time.

Ask your druggist—or order direct from THE DR. PITT MEDICINE CO., P. O. Box 2265, MONTREAL, CANADA.

You have No Reason for Not Using

Zutoo

Some people think that all headache cures are alike—that they all undermine the health, even if not perceived at the time of taking them.

Well, we'll admit that the drug cures do this, but that is no reason why you should not take Zutoo.

Zutoo is a harmless vegetable remedy. One ingredient is soda—just old-fashioned soda that our grandmothers used to take to settle the stomach, when they had sick headache. And there is nothing better.

The principal ingredient—the one that stops the headache, is a vegetable ingredient, imported for us from Japan. It won't hurt you any more than will the soda.

There is absolutely no reason why you should not use Zutoo.

If you suffer from headache there is every reason why you should.

Taken in time, two tablets will ward off a headache. Taken later, they will stop it in twenty minutes, and leave you feeling good every time.

If you are using a drug remedy, why not discard it? Zutoo will cure just as quickly and will save you the penalty, that all must sometime pay, who take the drugs which these cures contain.

If you will give Zutoo one trial, you will never take any other headache remedy again.
See, and try, at dealers or by mail.

LOCAL ITEMS

Two apprentices wanted—Miss Byers, Lyndhurst Fair—Thursday and Friday of this week.

Mr. and Mrs. H. W. Kincaid visited Ottawa Fair last week.

For sale—Second hand large wood furnace in first-class condition. Only reason for selling, an changing for coal furnace.—A. E. DONOVAN.

Large congregations on Sunday in the Methodist church heard with pleasure two able sermons delivered by the Rev. F. H. Sproule, B.A., of Malorytown.

Mr. T. R. Moles, who has been a great sufferer for a long time with rheumatism, went to Brockville on Monday to enter the hospital for a course of treatment.

At Brockville Fair last week Mr. S. Manhardt captured 19 prizes in the great poultry exhibit. He will also show at Lyndhurst, Delta and Frankville fairs.

Mrs. J. W. Richards, Frankville, who has been enjoying a trip to Rochester and Hamilton, has returned home. While on the trip she also visited the Canadian National Exhibition at Toronto.

Mrs. Wm. Mott intends leaving early next month to reside with her sister, near Rochester, N. Y., and in this issue of the Reporter advertises her household goods for immediate sale.

There is not a better country road than that which leads from Athens to Lyndhurst, and the scenery is unsurpassed in the county. Better hook up and trip it to Lyndhurst on Friday to the fair.

The Postmaster-General will shortly announce an increase in the scale of salaries for country postmasters based upon the increased cost of living as compared with a few years ago. The formal announcement will probably be made to a deputation of rural postmasters visiting Ottawa at an early date.

Last week, Mr. W. D. Livingston, secretary of Frankville Fair, was in Athens, completing some details of the annual exhibition which is to be held on Sept. 27 and 28. Frankville always has a large attendance and, given good weather, this fair will undoubtedly be a record-breaker. A splendid program has been prepared and the energetic board of management promise a thoroughly enjoyable time.

The receipts from the gate and grand stand at Brockville Fair fall slightly below the total of 1905. The O.B.R. preceding the Fair by such a short time no doubt prejudicially affected the attendance. The fair was a great success from every point of view. The entertainment provided fully met the expectations of all visitors and the purely agricultural features were excellent in every particular. Careful management was evidenced in all departments.

The 41st Batt. Band of Brockville will play at Delta Fair on Wednesday next.

Special Offer—The Reporter will be sent to any new subscriber to the end of 1907 for \$1.00.

On account of the anniversary services here on Sunday next there will be no Baptist service in Plum Hollow.

The Ottawa Normal School opened with 100 students on the roll—all of them women, not a man in the crowd.

An exchange says that one of the greatest wonders of this world is what becomes of all the smart children when they grow up.

For Sale—Second-hand large wood furnace in first-class condition. Only reason for selling, an changing for coal furnace.—A. E. DONOVAN.

The oldest Orange Lodge in Canada is No. 1, of Brockville, and the fourth oldest, which has just celebrated its 75th anniversary, is Nassau L.O.L., Toronto.

On Saturday last ladies of the Presbyterian church drove to Charleston and picniced on the grounds of Mr. Thompson's summer home. The outing was very much enjoyed.

If you want a new suit or overcoat, go to H. H. Arnold's. He sells the reliable Sovereign brand, made by the W. E. Sanford Co. of Hamilton, and there is none better.

Recorder: Miss Addie Wilson, Athens, and Miss Florence Brennan, Perth, who were guests of Misses Sauve, Pearl street, have returned to their homes.

Apples are selling from farmers' wagons in Toronto at \$1.50 per barrel. Apples shipped in by train bring \$1.25 to \$1.75 for the general run. The crop throughout Western Ontario is excellent.

If a pianist is playing a piece that sounds as if he didn't know it very well and has to stop every minute and start over, that really means that the music he is playing is classical.

The C.P.R. company is said to have plans under way to build a second main line through from Montreal to Toronto closer to the St. Lawrence and Lake Ontario. The exact location has not yet been decided upon.

The board of Gananoque high school will probably invite the Minister of Education to attend commencement. And perhaps he might be induced to come and help the grade of the A.H.S. "commence" if the dates could be fixed in proper sequence.

The selections for Entrance Memorization for 1907 are given as follows:—Lead Kindly Light, A Psalm of Life, Flow Gently Sweet Afton, The Heritage, Elegy Written in a Country Churchyard, The Barefoot Boy, Ye Mariners of England.

A party of 11 surveyors who left Smith's Fall to lay out the route of the Canadian Northern Railway, have reached Westport and will work westward until another party is met coming this way. The route from the Falls to Westport follows the north shore of the Rideau.

H. W. Brick, manager of the Wampole medicine business at Perth, absconded with \$40,000. He has been traced to Japan and his arrest will take place at an early date. Henry K. Wampole worried over the loss of the money and committed suicide by drowning just after a nurse had taken him from Philadelphia to New York.

Lyndhurst Fair takes place on Thursday and Friday of this week. Special excursion rates from all stations of the B. W. & N. W. on regular trains, good to return until Saturday. Return fare from Athens, 30c. Lyndhurst has beautiful fair grounds and an excellent program has been arranged.

On the last day of Brockville Fair, Licence Inspector Ross made a raid on three booths where "soft" drinks were being dispensed and captured altogether 150 bottles of beer. When the magistrate gets through with these offenders it will probably be found that the Inspector has earned a large chunk of his salary as well as the good opinion of law abiding citizens generally. It is not in the public interest that any liquor should be sold at these large gatherings.

Mr. Graham, principal of the Gananoque high school, is quoted by the Reporter as saying that the attendance at the high school is slightly larger than formerly, the average being well over 100. He noticed that very few pupils now—only two—are preparing themselves for teachers. The new law which makes a course at the Normal School compulsory will dobar a number who otherwise would take to teaching. They cannot afford the expense; so they are turning towards commercial pursuits. That will tend to decrease the number of teachers, who are now hardly sufficient for the demand for them.

Rheumatism

is one of the constitutional diseases. It manifests itself in local aches and pains,—inflamed joints and stiff muscles,—but it cannot be cured by local applications. It requires constitutional treatment acting through the blood, and the best is a course of the great medicine **Hood's Sarsaparilla** which has permanently cured thousands of cases.

For testimonials of remarkable cures send for Book on Rheumatism, No. 2, C. I. Hood Co., Lowell, Mass.
