This is the playful way in which a St. John's Nfld., newspaper refers to the premier of the colony, Sir William Whiteway; "Money-bags Whiteway;the knight of political shreds and patches, the knight of the rueful countenance.

—Following is a scientific description of what happens when you light a fire:

The phosphorous on the match is raised by friction to a temperature of 500 degrees, F., at which it ignites. It raises the temperature of the sulphur, if it be a sulphur match, to 500 degrees, when the sulphur begins to burn; the sulphur rises the heat to 800 degrees, when the wood takes up the work and produces a temperature of 1000 degrees, at which the coal ignites.

Handle for him either to die or go mad a few months later. Then, again, what bunglers murderers are in getting rid of a body, if they prefer steel or a bullet to point to be dissolved in about an hour. The bed issolved in about an hour. The sulphur begins to burn; the sulphur rises the heat to 800 degrees, when the wood takes up the work and produces a temperature of 1000 degrees, at which the coal ignites.

Handle for him either to die or go mad a few months later. Then, again, what bunglers murderers are in getting rid of a body, if they prefer steel or a bullet to point to be under the sanctum dispelled the illusion.

New York averages four suicides a day. Poverty and despondency have something to do with this incursion upon the population of the city, but disappointed love appears to be the extraordinary development which terminates life here and begins the life hereafter.

Ottawa, Jan. 16th, 1891. T. MILBURN & CO., Proprietors, Toronto. Toilet Soap.

Moncton, N. B

Shows signs of falling, begin at once the use of Ayer's Hair Vigor. This preparation strengthens the scalp, promotes the growth of new hair, restores the natural color to gray and faded hair, and renders is soft, pilant, and giossy.

"We have no hesitation in pronouncing Ayer's Hair Vigor unequaled for dressing the hair, and we do this after long experience in its use. This preparation preserves."

Barrister, Notary Public, &c. the hair, and we do this after long experience in its use. This preparation preserves the hair, cures dandruff and all diseases of the sealp, makes rough and brittle hair soft and pilant, and prevents baldness. While it is not a dye, those who have used the Vigor say it will stimulate the roots and colorgiands of faded, gray, light, and red hair, changing the color to

A Rich Brown

or even black. It will not soil the pillow-case nor a pocket-handkerchief, and is al-ways agreeable. All the dirty, gummy hair preparations should be displaced at once by Ayer's Hair Vigor, and thousands who go around with heads looking like 'the fretful porcupine' should hurry to the nearest drug store and purchase a bottle of the Vigor."—The Sunsy South, Atlanta, Ga.
"Ayer's Hair Vigor is excellent for the hair. It stimulates the growth, ourse baldness, restores the natural color, cleanses the scalp, prevents dandruff, and is a good dressing. We know that Ayer's Hair Vigor differs from most hair tonics and similar preparations, it being perfectly harmless."—From Economical Housekeeping, by Eliza R. Parker.
