RESTORE SIGHT WITHOUT EVEN AN OPERATION

Dr. Ruddy Says Cataract Cases Can Be Cured by Simple

OSTEOPATH CLINIC HELD AT TORONTO

One Patient, Suffering From Deafness, Attending From Moncton.

Special Despatch to The Daily Gleaner Toronto, July 2.-The restoration of sight to eyes growing dim from cataract, without a radical operation, has come to be an everyday affair, according to Dr. T. J. Ruddy, of Los Angeles, who examined a number of eyes cases in the clinic which opened the annual meeting of the American Osteopathic Society of Opathalmology and Otolaryngology yesterday morn

Dr. Ruddy is programme chairman for this organization. Its name in non-technical terms means osteopath physicians who treat diseases of the eyes, ears, nose and throat.

The doctor, who was president of the society in 1917-18 says that ever cataract case, if taken in its earliest stages, can be cured by his method er treatment for softening the catar act and then drawing it out with an

confined to diagnosis. The gait and wearing service uniform majority of the patients were sufferirg from deafness, one boy who was

SUDDEN DELT. ST PROF. HENDRIXEON

Body Found in Locage, Where The Apparently Died 10 Days Before.

Manisten, Mich., July 2 .- Professor Walter Scott Hendrixeon, 66, of Grinnell College, Grinnell, Iowa, was was found dead in his cottage at Portage Point, near here, yesterday. The discovery of the body was made by Albert Sigman, a college student, who is working as a bell boy at the Porttage Point Inn during the summer. Mrs. Hendrixeon had wired to au thorities here asking them to locate her husband. She said she had not heard from him for several weeks. Coroner Bradford said he believed Prof. Hendrixeon had been dead ten

With China in Struggle

for Freedom.

Moscow, July 2.—Foreign Minister Tchitcherin has issued a statement

declaring that while the sympathies of the Russians are on the side of the

Chinese in their struggle for complete liberation from foreign domination,

the Soviet government's pelicy is to avoid any action which could be re-

the present situation in China:

ternal affairs.

The Future Peril

Linovieff is quoted as follows in the Moscow Investia: "Foreign Imperialists think the present events in China are an unprecedented storm, but we inform them it is merely a slight breeze to the real storm that is coming. I promise our generation will witness a real storm and the day in not far distant when we shall hap for the Minded at Hadley Field at 2 a. m., easternand and time. The planes, carrying mails posted in Chicago late."
