DISTANCES TO ALEXANDRIA. The following table of distances will be useful for reference :--Malta to Alexandria, Cyprus to Alexandria, Port Said to Alexandria, 280 miles.

TELEGRAPH NEWS ALEXANDRIA, JULY 18 .- Intelligence ha been received from Cairo that the Prefect of Police declines to permit Arabi to enter the city. Three Bedouin Chiefs have come and sworn allegiance to the Khedive. Plenty of mules have been landed for field batter ies, which have also been landed; so that the British force is ready to move at a moment's notice. Large numbers of people are re-ARABI'S TROOPS ARE ABOUT 15 MILES FROM

PORT SAID. There are some troops near Suez. No words can be too strong to eulogize the admirable manner in which all have united to repair the effects of the bombardment and to ren-der the City habitable. English, American and Greek sailors and marines vie with one another in doing good solid work. Arabi

Pasha has cut the telegraph which connected him with the palace and by which the ministry communicated with him. Mounted messengers had also been passing to and fro with documents. The British outposts stopped the Egyptian officer bearing THE KHEDIVE'S DISMISSAL TO ARABI, which therefore has not reached him. The palace authorities avow that they can find

LONDON, July 17 .- The "Times" Paris correspondent says the idea of the renewal of the close co-operation of France with England has forced itself upon the French Government. The cabinet has adopted a resolution to this effect—a resolution con-ditional on three things, namely, Furkey's conditions, the two governments are now

Egyptians sent out by the English to get not a

London, July 20 .- The Times says: The hesitation of the Porte at a moment when the situation is fatal, has forced the British Government to the conclusion that the invi-tation to the Conference has been virtually declined, and that nothing remains for it but to carry out by its own efforts the measures necessary to restore order in Egypt. There will be accordingly no further delay in carrying out the preparations for military ac-tion in Egypt. Definite orders were issued to-day for the despatch of a force to do the work which the Porte is held to have de-

Kafre Dawar, where Arabi Bey has in stalled himself with his followers, is an exceedingly well chosen position. It is situated about eighteen miles from Alexandria, five from the Canal and commands both routes to Cairo. He can cut the canal when he pleases and dop down upon Alex, andria at any time without much difficulty It is in the midst of a splended farming region. Abundance of supplies can be ob gion. Abundance of suppnes can tained from the adjoining country and water is plentiful. He can, moreover recruit his forces from the interior, and altogether he has chosen the most advantageous position possible under the circumstances. The position itself is not a strong one or diffi-

ENGLAND'S EXPEDITIONARY FORCE. LONDON, July 21 .- The Daily Telegraph states Sir Garnet Wolsley will command the expedition to Egypt which will consist of 20,000 men of all arms

ALEXANDRIA, July 21 .- The Khedive has received the following important news from Cairo: Arabi, after receiving the Khedive's letter, sent to Yakoub Pasha ordering him to assemble the notables. About seventy or eighty came together, and were told by Yakoub terested in the lobster fishery in this that the Khedive was now entirely in Province, held at Richibucto in Novthe hands of the English, that he slept violence. Several notables spoke, but those fayouring the Khedive were afraid

gun. The news of the massacre of Europeans in various parts of Egypt glad to know that the combined effects of the fishermen, seconded by the expectation of the season. We are applied to know that the combined efforts of the fishermen, seconded by the newspapers friendly to them in this matter, have at last been suctivility has been exchanged for a sullenge from and insolent attitude. Arabi's camp is visible from the tower of the house at Ramileh. His position on a narrow strip of land, flanked by two lakes, is very of land, flanked by two lakes, is very of land, flanked by two lakes, is very of land.

LETTER FROM DR. DUNCAN.

TO THE EDITORS UNION ADVOCATE. It was not my intention to trespass again on your space nor further weary either your patience or that of your subser An exchange says it is understood that issue of the 12th inst. calls for some notice John C. Brown, Esq., has secured the A "deliberate lie," as I take it, is a necessary rails required to complete the statement which the utterer knows to be a although we do not say that the delay former Cabinet Ministers" of the Hon. T. has been intentional. If there are old W. Anglin, it is rather late in the day to refresh his memory now that their occupa-tion is gone. In justice to Mr. O'Brien, who was Prime Minister of Mr. Anglin all through his regime, let me here add that his hands are beyond all doubt clean in this matter. He knows whom Mr. Anglin, in presence of himself and another gentleman, accused of pocket-lining in a former election.
The mere fact of Mr. O'Brien calling me slanderer and liar" does not make such. Bathurst knows that I have no reputation as a dealer in such fancy articles as implied in the terms, nor does he think so himself. Indeed I attribute his remarks

> G. M. DUNCAN, M. D. That the human system requires rea in the Spring is proved by the loss of appetite, las-situde or debility which comes within the experi-ence of almost everyone. Aware of this it was the ence of almost everyone. Aware of this it was the custom of our grandmothers to prepare decoctions of Burdock, Dandelion and Cherry bark for the purpose of restoring thestomach to a healthy tone, and purifying the blood, but the medical skill of the present day finds such things ineffective and sometimes injurious. Hanington's Quinine Wine and Iron, used in conjunction with Hanington's Tonic Dinner Pills, restore the appetite, invigorate the system and purify the blood immediately and effectually, as thousands testify who have been benefitted by their use. Beware of imitations. See that you get "Hanington's," the "original" and "genuine." For sale by all druggists and general dealers in Canada. A sudden slip and down you go; an ankle
