

TEA TABLE GOSSIP.

Mrs. Mariatt and Mrs. Phin, of Calgary, Alta., are the guests of Mrs. A. H. Dodsworth, 59 King street west.

There will be a meeting of the St. Paul's Church Young Men's Guild to-night at 8.15, in the school room. All are invited.

Miss Lena Leonard passed the junior theory examination with honors, and passed the junior piano examination, and Mr. Frank Tallman also passed the junior theory with first class honors, in the Toronto University examinations. Both are pupils of H. J. Allen.

Miss Catharine Richards, daughter of the late Goddard Richards, passed away yesterday at her late residence, 212 MacNab street, after a brief illness. She had lived in the city all her life. The funeral will take place on Thursday at 3.30 p. m.

Glove sale at Waugh's. Black wool gloves, twenty-five, thirty-five, and fifty cents; lined kid or suede gloves, seventy-five cents. All-wool sweaters, navy or black, seventy-five cents. New patterns, colored shirts, fifty and seventy-five cents. Waugh's, post office opposite.

Alice Doige Rogers, eldest child of Joseph Rogers, died in Toronto yesterday of diphtheria, aged 8 years and 9 months. Interment will take place on Wednesday morning in Hamilton Cemetery. Her father was with the John Knox Co. until their removal to Toronto, and has since been with the Gordon-McKay Co.

Miss Fawn Russell, of this city, had a rather unpleasant experience on Saturday afternoon. She was with a skating party on the Dundas marsh, and with a few friends was having a little hole, when she suddenly skated into a hole, and went into the cold, cold water. She is no worse for her ducking today.

The commencement exercises of the Hamilton Collegiate Institute will be held on the afternoon of Friday next, the 17th, beginning at 3 o'clock, in the Assembly Hall of the institution, when the report of the year's work will be given and the medals won during the past year will be presented.

The police received a telegram at noon today that was addressed to the "Municipal Police Department," Hamilton, but which they were unable to further decipher, as it was written in some foreign tongue. Interpreter Protich was called in late this afternoon, and will try to tell the police what they have to fear.

Geolph Mercury, Mr. M. J. Doran had a surprise the other day. It was a visit from his sister, Mrs. Richard Fusan, and her husband, of Hamilton. It is 24 years since the couple were here. She came to Guelph with the family in 1846, when she was five years of age. After she grew up she removed to Hamilton, where she was married and has resided ever since.

The annual gathering of James Street Baptist Church will be held to-morrow, Wednesday evening, 7.15 to 9.15. The church and congregation. The annual reports will afterwards be presented, and time allowed for social and musical features during the evening. This gathering is one of the events of the year in James Street Church.

THE WRONG COAT.

Leser Took Out Warrant Before it Was Returned.

Last evening a number of pool players were interested in the game in the Vancouver Hotel. Arthur Poole, 82 Caroline street north, was one of the first to leave, and he put on a coat that was hanging where he had left his and went home. Later on Anthony Granetz, 279 Barton street west, stopped playing and started to hunt for his coat, but without success, and then someone remarked having seen Poole with one on like the missing one. Granetz had a warrant issued this morning at the police court, but the accused walked into the police office shortly before noon with the coat on his arm, and said he had made a mistake and wanted to return it. He was detained, and his case will be heard in the morning. The police do not think he had any intention of stealing the coat.

TOOK OFF CAP

And an Explosion of Gas Was the Result.

At noon today the fire department was called to 39 King street east, where an explosion of gas had taken place on the top flat in the residence of George Updeil. He had been trying to connect a natural gas pipe and took the cap off with the result that the fire in the stove ignited it. The damage will be small and consists of scorched woodwork. The tenant was slightly burned about the face and hands.

AT THE ALEXANDRA.

To-night will be held the regular weekly couples' skating race, for which there are the following entries: L. McMaster and Miss Swallow, F. Garson and K. O'Connor, G. Fitzpatrick and P. Gentle, E. Hawkes and G. Jones, J. Dixon and A. Spink. There are two prizes given every week to the winners, and the grand final will take place in four weeks, when two gold medals will be presented to the lucky couple. As an extra added attraction to-night, there will be a match race for a fifty dollar purse between Mr. W. Smith and Clara Gordon and G. Rigg and Sadie Haney. This will be very exciting, as they are all fast skaters, and travel along beautifully together. To-morrow night will be a humorous one, as there will be a girls' race picking oranges, and this will prove even funnier than last week's success of the boys and the lemons. Entries for the biggest and best carnival are coming in fast, and all who intend going in costume should enter their names and what they represent as soon as possible, as it is a great help to the judges, who are three lady patrons of the rink who have kindly consented to act in this capacity.

WANT FARRAR TO RESIGN.

(Continued from page 1.)

The weather permits. Chairman Sweeney expects the first meeting of the Board of Works will be held on Tuesday next. The Fire and Water Committee may meet this week to open the tenders for electric pumps so that the matter can be referred to the engineers to report on.

Hamilton has already landed one new industry this year. Assessment Commissioner Macleod announced to-day that Parsons & Parsons, of Cleveland, had decided to establish a branch of their business here. They manufacture rubber, collars, cuffs and other articles of this kind. The firm has secured quarters over the City Steam Laundry on Main street. It has an extensive business in Cleveland, and if the Canadian branch proves a success a permanent building will likely be erected.

R. Spicer was granted a permit this morning for three brick houses on Shaw street, between Victoria avenue and Emerald street, to cost \$4,200.
