MARKETS and FINANCE Thursday, Feb. 20.-The heavy storm last night deterred most of the farmers from coming into the market this morning and as a result only those close to the city got in. Prices were rather high. All quantities sold at first class and brought the top price. Meat was the only plentiful thing and the prices remained firm as there were plenty of buyers. The hay market was almost deserted by farmers and totally deserted by buyers and prices were unchanged. The grain market was dull this morning for the same reason, no one could get into the city.

The Roosevelt communication regarding strikes and business depression during the presidential campaign. Attention is called to the fact that local buyers reserves have not heaped up as they did after the 1903 panic. It is noted in this connection that the population of the country is now some 87,000,000, against 67,000,000 then, and this means that more to be done to meet needs of this great accretion to residents of the country, necessitating of course a larger supply of funds in trade enterprises. The Brooklyn extension of the subway is adding at the rate of some \$700,000 per annum to interboro earnings, though not completely except under the river. The management of the Alexandra is making a special concession to the scholars, making the price of admission to the rink 10 cents to skate, both the morning and afternoon. WELLAND LADY DEAD. Welland, Ont., Feb. 20.-Mrs. C. J. Page died at her residence here this morning, after a long illness. Some people are willing to give the devil his due even before he claims it.

BEGGAR BY DAY. FASHIONABLE LADY WHEN NIGHT COMES. New York News, Unable to Live on Husband's Income, Dresses in Rags to Buy Fine Clothes-Arrested and Fined-Four-Year-Old Son Helped Deception. New York, Feb. 20.-Unable to dress as she wished on her husband's income of \$70 a week, Mrs. Abraham Greenbaum, wife of a restaurant keeper at 214 East 131st street, turned beggar by day and, in fashionable attire, visited the theatres or her friends at night.

She was arrested in Hoboken to-day as a mendicant, and in the Recorder's Court was sentenced to pay a fine of \$25 or spend six months in the penitentiary. When told of her detention the husband expressed great satisfaction, declaring his wife had so humiliated him by her trouble-pose artistry that he had been compelled to move from place to place.

"We were married seven years ago," he said, "and went to Haverhill, Mass., to live. There my wife would put on rags in the daytime, blacken the face of our four-year-old son Joseph and take him into the streets to beg. For some time I did not know of this, and when she would come home at night with \$8 to \$10 she would tell me she got it by working."

"I secured a position as an embroiderer at \$40 a week, but this was not sufficient for my wife to dress on, and I borrowed money to go into the restaurant business. Occasionally she would leave home and for a few days I would not hear a word from her. I saw her on the street several times dressed in the height of fashion, but during the day she would wear her tattered dress and expensive living has kept me in debt ever since we were married."

Greening Wire Co., Wednesday of next week will be a banner night for the Copley, Noyes & Randall staff and employees, who have bought 1,600 tickets from Miss Lewis. The M. Brennen & Son and the Hamilton Lumber Co. will be represented on the 27th.

The above insure large audience for the balance of this week and next week. On Tuesday night last the employees of the Canadian Colored Cotton Co. were out in large numbers, and some night next week the employees of the Hamilton Cotton Co. have arranged to go. Miss Lewis has received a donation from Mayor Stewart of enough granite for plaques, etc., instead of brass, for the hospital.

An adjournment was then made to supper, during which an excellent entertainment was afforded by Camp Chef Granger, Messrs. Simpson and Medlen, and the music rendered by H.
