

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. Old Boys Assn. Of Citizens' Hose Co. to Be Formed

A meeting held in the Grand Central last night of the former members of the Citizens' Hose Company with a view to forming an Old Boys Association. Charles Chapman was voted to the chair and Sheriff O. Loughlin acted as secretary pro tem. A committee was appointed composed of Charles Chapman, Sheriff O. Loughlin, James Aadie and H. W. Hodgins to consider the question of forming such an association, the committee to report to another meeting to be called soon. About twelve ex-members were at the meeting and it was noted that out of 27 members when the company was disbanded in 1902 there are still 24 alive.

Traffic was tied-up on the main line of the G.T.R. for about three hours on Saturday morning last, due to a wreck which happened inside the yards at the Grimby station. About 10.50 a fast freight going east, was highballing along at about fifty miles an hour when it was suddenly seen to start to wobble in the middle of the train and one of the cars took a shoot out into the atmosphere and rolled down the bank, at the end of Robinson street south and twenty others left the track and piled up across the west-bound track. The accident was caused by a boxing on a heavily loaded car of stone dropping down out of position just west of the station.

Members of the Chamber of Commerce of Niagara Falls, Ont. have committed themselves to the forming of a company for the erection of houses in Niagara Falls. At a meeting held last night, seventeen members pledged themselves to take blocks of stock in the new company. There was some discussion as to whether the Chamber build houses or a factory tenement building, but it was felt that the house shortage was a more immediate problem. The company will apply for a charter with a capital of \$250,000 in shares of \$50 each. The new company will be called the Niagara Falls Homes, Ltd. T. F. Battie was authorized to go ahead and apply for a charter.

The big vaudeville bill drew a large crowd to the Grand last night and the show which is of rare excellence was much enjoyed by everyone some of the entertainers being repeatedly called. One of the most attractive features is the musical "O'Perin", "Mummy's Birthday," in which eight good-looking and clever girls take part. The Mabel Fonds Duo do a good manipulating act, which was well received. Capman and Mooney are an amusing pair. Hussey and Carroll in their novel racing stunt please everybody, while the Quaker City Flour brought down the house with their fine singing. Knapp and Murray well bear out their reputation as the boys behind the fun. The show concludes with Charlie Chaplain's latest picture, "A Day's Pleasure," which is certainly as good as its reputation says of it. The show will be repeated to-night and to-morrow.

Eat Less Meat If Back Hurts

TAKE A GLASS OF SALTS TO FLUSH THE KIDNEYS IF BLADDER BOTHERS YOU.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish, clog up and cause all sorts of distress, particularly back-ache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

TO MOTHERS! Guard your kiddies against torpid liver, sour stomach, constipated bowels which generate poisons. Cascarets are a candy cathartic, ideal for children. Cost only 10 cents a box. Read below!

Children love Cascarets because they taste like candy. When your child has a white tongue, feverish breath, foul stomach, give Cascarets anytime to "work" the nasty bile, souring food and bowel poison from the clogged-up places. You needn't coax even cross, sick children to take these harmless candy "Cascarets." They never gripe—never injure! Cascarets never disappoint the worried mother. Each 10 cent box contains directions and dose for children aged one year old and upwards.

as the buffalo vanished from western plains, so will the deer disappear from Ontario's forests unless some drastic action is taken by the Government. The slaughter of deer aggravated by that foolish persistence to kill two instead of one, in the autumn of 1918, reached alarming proportions. As a result, last fall animals were very scarce and hunters who for years had never failed to get their deer, went home empty handed, disappointed and disgraced. Many had not even seen "stag" in districts where deer were plentiful.

Save Game For People. The annual increase in the number of hunters, the indiscriminate shooting of does and fawns, and above all, the hunting of deer with dogs, is to blame for the growing scarcity. Action will have to be taken if deer hunting is not to become an extinct sport.

Those live wire sportsmen who compose the Essex County Wild Life Conservation Association, whose object is to stop pothunting and the slaughter so that the fish and game of this province may be preserved for the enjoyment of the average citizen, has submitted resolutions to the Ontario Fish and Game Committee, which in a few days meets in Queen's Park, to make the game laws of the coming year. There are some of the restrictions: In view of the belief that deer will be exterminated within five dog
