# signal.

WOL. XVI.-NO. 36.

I ran towards the

Drought's life.

James Culvert.—I have known the

tried to take it from the counsel on either side desired.

Thomas Alloway.—I have known prisoner for 14 years, and believe him to bear a good eyer told him to touch gen commenced to abuse it's father came to us it's father came to us it's father came to will be seen to generate the counsel of the post of

r's father came to us and and threatened my father took u, a stone of touched his father he him. He said the lime d'that the next time we epared.

My father was about 50 time of his death. He han Drought. When I in Drought's field they en I ran up my father was about 50 time of his death. He han Drought's field they en I ran up my father was about 50 time of his death. He han Drought's field they en I ran up my father was about 50 time of his death. He han Drought's field they en I ran up my father was about 50 time of his death. He han Drought's field they en I ran up my father was end of the death of the death of the province of £5 18s 2d, being the amount of a contribution from the Township of Hay, is the county of Huron, Canada West, in add of the above Fund.

I am, Sir, JOSEPH GIBBS.

had taken it down, and dwelt at considerable length upon the different points involved in the case, evidently taking much care to remove the difficulties which surrounded it.

ield, and Drought standield, and Drought st (Centinued on Second page.)

The strategy of the part of of th

morning, John is trial on a charge is will remember as published in the relatal occurrance, ethe evidence in is a stout-looking about 28 years of his countenance the closest inspeciation between brought and be killed She told bin not to do that or he would be hung. It was where he would be hung. It was where he would be hung. It was the closest inspeciation between the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent ey should be called by the closest inspeciation of the sides were sent expectations and the was intended and seventy.—One series of about seven hundred sheep in the vicinity of the village, but we were in the Village of Seaforthy, and about availy was in the vicinity of the village, but we were in the Village of seaforthy, and about availy was in the vicinity of the village, but our fears were soon quelled when presently we saw a drove of cattle coming, roaring and bellowing, down from Harparhey. It was the finest drove for a small dimensions. The above belonged to the fine of lock we thought that a squad of. Yanke cavalry was in the vicinity of the village, but cavalry was in the Village of eavalry was in the Village of eaval

pon which prisoner to my father, and its dead. I crossed o follow Drought.—o him, he turned and remises. I told him k and I would, fight ned, I found Maria, and Wm. Thomas ne up. My mother rought lived on the My father and he it a line fence three time. Last winispute about a mare the is into our place. On down with my father plant a post as a startal line fence. N. Alexispute would be switched by the might be hung—he may be hung—she timed to take it from the my the down with my father plant a post as a startal line fence. N. Alexispute would be switched by law.

Drought's life.

James Culvert.—I have known the prisoner for six years. Never knew any thing bad against him. Qunt n'is was not quarrelsome man to my knowledge.

Previous to Culvert's examination his Lordship ruled that the word's of the decade could not be brought up in evidence.

Geo. Drought.—I am prisoner's father. On the Good Friday I was about to strike Quinton, when my son stopped me and said the dispute would be settled by law.

Sin,—In forwarding you the enclosed order I beg leave to state that the reason why so much delay has occurred in connections there when be to make the enquiry about it a week or two ago, I discovered only vesterday on going to the Kintall Post Office received the answer to my note, dated by you on the 1st September, 3 weeks after date, you on the 1st September, 3 weeks after date, for the first time, both the Trustees and myself the might be hung—he may be hung—she this intent well worthy of comment. If Publis has surely a state of thing in post office, as the witness seemed quite willing to say whatever, favor me much by favoraling your reply, to my address, you on be 1st September, 3 weeks after date, you on the 1st September, 3 weeks after date, on the first date of the situe of the sit
