

The Abnormal Development

of the GIRAFFE is remarkable, but the abnormal development of the demand for SUNLIGHT SOAP is still more remarkable. It is not known how many people have never seen a Giraffe, but it is known that there are millions and millions of careful housewives all over the world using

SUNLIGHT SOAP.

These housewives no longer dread the advent of wash-day, for, with SUNLIGHT SOAP as their ally, they are assured of a quick despatch of all dirt and uncleanness. SUNLIGHT SOAP saves your clothes.

"DINA YE HEAR IT?"—THE
NIGHT SLOGAN OF THE LIB-
ERAL ARMY MARCHING TO VIC-
TORY!

Yes, it is the old-time Liberal feeling that makes everyone put the happy smile on.

The West End was doubtful last time and gave Morris a chance, but they have found out that he is a Tory, and as bad as the worst of that ill-fated Party.

They have found out that he doesn't mind if Piccott and Crosbie take Gibbons' land and don't pay him a cent. They have found out that he doesn't mind if his Minister of Justice, Morison, "forgot" the law and that it was wrong to steal!

They have found out that he doesn't mind if the Colony (that's you and me) pays Crosbie \$2200 for two spurs!

They have found out that he doesn't mind if Morison, Cushing, Eames and Brother Frank want to make a million or so out of poor de-
luded persons who buy stock in the play-out Bay de Verde mine!

They have found out that he doesn't mind how much the Colony (that's you and me) pays Reid per mile to build the railways!

They have found out that he doesn't mind if the Colony (that's you and me) pays \$500,000 extra as
line as Reid Reid is saved the trouble of cashing our debentures!

They have found out that he doesn't mind if no new industries are started!

But if Morris doesn't mind these things, the West End does!

They have determined that the spectacle of a Premier, who permits such a bunch of self-condemned sinners in his Cabinet, must cease at once. Do you blame them? Can you imagine any self-respecting mer-
chant keeping men of this reputation in his employ? So Morris has come to his Waterloo, and after Thursday he will be free to retire to his little island where the sheep feed on two-
blade grass and crows of jam are picked off the trees, and there let him meditate on the past and re-
solve well, he knows what.

Ellis, Cowan and Scott will be directed because they stand for Hon-
est and Clean Government, and be-
cause they merit the support of all honest, right-thinking and intelligent men, who know that Sir Robert Bond would not stand for corruption in his party for one instant!

For the same reason Kent, Dwyer and Ryan will be elected again in the East End, which has been Liberal and is more Liberal than ever this election.

Every workman knows that he owes it to Kent that he is paid any-
thing when an accident befalls him at his work.

The issue was never plainer, Bond and Honesty is against Morris!

Corruption! There can be no doubt of the result, because Right must triumph over Wrong. Therefore Bond Can't Lose!

Hark! Dina ye hear it? That mighty shout from North and West! See the Banners of the Grand Old Liberal Party! Hear the shout!

"BOND and CLEAN GOVERNMENT!"

**Chorus from
Tory Troupe.**

NOVEMBER 1st.

O where, tell us where, shall we find a seat for Ned?

O where, tell us where, will he lay his weary head?

E'en Johnnie Scott has beat him, And leathened him quite sore— And its woe to our hearts St. John's West sees him no more!

There's Don and young Syd and the bully Winsor boy.

All out in the cold with Crosbie and the "Grips."

That Coker has us flattened out And sent us all to bed.

But its where, tell us where, shall we find a seat for Ned?

O what shall we do if the price of spurs goes down?

Our picnics and trips are all gone for ever more.

Sir Robert Bond will stop our "grabs" For he'll do all he said—

But its where, tell us where, shall we find a place for Ned?

In the distance (very distant) Bleat-
ings from sheep fed on two-blade grass.

**Falling Hair Means
Dandruff Is Active**

Save your Hair! Get a 25 cent bot-
tle of Danderine right now—
Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine to-night—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first applica-
tion your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

This is to warn you against the statements that Howley and Higgins are making about the result to the Country if the Liberal Party is re-
turned to power. You know in your hearts that these stories of "blue ruin" and the bugbear of Socialism are concocted by the Tories in a frantic endeavour to deceive you.

You know they are not true. Don't rely on what Higgins and Howley tell you. They want to win the Elec-
tion and they are working on your feelings in a way that would give points to many a demagogue. The LIBERAL PARTY has been your friend always and past history shows you that it is while the Tories are in power that we should be alarmed for our Newfoundland. Be warned in time, and vote for Clean and Honest Government by crossing your Ballots for

On a roost at Freshwater
The "Pullet" lay prone,
With "de Barge" high and dry
On the rocks.

While "Wiggles" all mute
And despondently lone
Examined the shade of his soul!

The cheers from the thousands
Who listen'd to Kent,
Rent the air in their jubilant cry;
Said "Pullet" to "Wiggles",
And "Wiggles" "de Barge",
"To-night we politically die!"

Extract of Letter Received From Levi Munden, Dated October 2nd.

I really believe that the Fairbanks Morse engine is all right, she has given me perfect satisfaction. I went to work the other day and put on a kero-
sene oil tank and connected the pipe to the carburettor and started her and ran her just about three minutes on gasolene and then shut off the gasolene and turned on the kerosene and as soon as the gasolene was burned out she took to the kerosene all right. She does better work on kerosene than on gasolene.

With regard to your enquiry concern-
ing the Fairbanks Morse Co. en-
gines which we had from you this spring, we may say that they have given perfect satisfaction as far as reliability and simplicity in running are concerned. In fact they are as good as the manufacturers say they are. We would not change a Fair-
banks Morse Engine for any other that we have ever seen.

Editor Evening Telegram.

Dear Sir,—I have it on the best of authority, that a prominent Post Of-
fice Official has recently been going around amongst a certain class of people who are not British subjects, with the object of inducing them to take out Naturalization Papers, and of course, to vote for the Tory Party.

When Sir Robert Bond comes into power, no doubt, there will be a most searching examination into Post Of-
fice methods. Most people will say, and quite true.

Yours,
TOM TIT.

SIR WALTER RALEIGH executed

1618. Raleigh was one of these fa-
mous men of Devon who did so much for England in the 16th century. He attracted the notice of Elizabeth and soon became a distinguished person at her court, but on the accession of James I. Raleigh fell into dis-
grace. He was committed to prison on false charges and was executed this date.

JOHN KEATS born 1795. In a brief life—a "mature" career of some five years or so—this humble born cockney youth became first among all latter-day English poets as the poet of Beauty. Than the odes to Autumn, to the Nightingale, on a Grecian Urn, and to Melancholy, it would be impossible to find anything lovelier and so near the unattainable of perfection.

Beauty is truth, truth beauty—that is all.
Ye know on earth, and all ye need to know.

Will you all be there as they gasp
Their latest breath?

Will you all vote strong
To defeat the cruel wrong.

Twenty Dollar Hush Grant!

Special to Evening Telegram.

OLD PERILICAN, Last Evg.
Crosbie and Whiteway on Saturday night, attempted to make speeches here. Crosbie commenced by blurt-
ing out, "I am the buck that sold the spars." Then there were three cheers for Coker. Some one told him he had spar across his throat. He spoke of the Union then and cheers were given for Hickman and Barrett. One man gave up his hush grant, \$20. The Liberal-Union candidates will have 300 majority. Crosbie's meet-
ing broke up in a row.

Tory Meeting Abandoned.

Special to Evening Telegram.

GRAND FALLS, Last Night.
The Tory candidates arrived here this morning and called a meeting for this afternoon, hoping to get the night-shift men to attend. About a dozen turned up; half of those were Liberals. The meeting was aban-
doned. Bond Can't Lose.

The Gypsies.

We learn that the Gypsies who ar-
rived in the city on Monday, intend to settle down in the country for a few years. Previous to coming here they had been ranching a few miles from Calgary, Alberta, and recently sold out all their live stock, secur-
ing enormous prices. There are three families, 26 persons in all, and Mr. Ephraim Butch, the eldest of the three brothers, and leader of the party, informed us they are cooper-
smiths and hope to work at that trade here. They are Brazilians but speak English fairly well. More than likely the Tories will try and get them naturalized, so as to vote for them.

SUCCESSFUL FLEDR.—The firm of Black & Co., Diamond merchants, Calgary, Alta., Canada, of which Mr. Hedley R. Chauncey, son of Mr. R. J. Chauncey, of this city, is a partner, have this week moved into their new 13-storey building, costing eight hundred thousand dollars (\$800,000). Mr. Chauncey is quite a young man and his old friends in St. John's are glad to hear of his suc-
cess.

Mr. J. J. O'Grady, of O'Grady Bros., leaves to-morrow for Harbor Grace where he will be engaged for some time painting the R. C. Church at Fivorthed. Quite recently Mr. O'Grady finished the interior of the Cathedral at Harbor Grace, and the beauty and excellence of his work have won for him the encomiums of all who saw it.

Stomach, Nerves and Thinker Re-
stored by Grape-Nuts Food.

The number of persons whose ail-
ments were such that no other food could be retained at all is large, and reports are on the increase.

"For 12 years I suffered from dyspepsia, finding no food that did not distress me," writes a Western lady. "I was reduced from 145 to 90 lbs., gradually growing weaker until I could leave my bed only a short while at a time, and became unable to speak aloud."

"Three years ago I was attracted by an article on Grape-Nuts and decided to try it."

"My stomach was so weak I could not take cream, but I used Grape-Nuts with milk and lime water. It helped me from the first, building up my system in a manner most aston-
ishing to the friends who had thought my recovery impossible."

"Soon I was able to take Grape-Nuts and cream for breakfast and lunch at night, with an egg and Grape-Nuts for dinner."

"I am now able to eat fruit, meat and nearly all vegetables for dinner but fondly continue Grape-Nuts for breakfast and supper."

"At the time of beginning Grape-Nuts I could scarcely speak a sen-
tence without changing words around or 'talking crooked' in some way but I have become so strength-
ened that I no longer have that trouble." Name given by Canadian Postum Co., Windsor, Ont.

"There's a word," and it is ex-
plained in the little book, "The road to Wellville," in p.kcs.
