Mrs. S. A. Richards Writes of Dr. F. G. Kinsman's Heart Tablets and Dyspepsia Powders.

Your Heart Tablets and Powders are a wonderful medicine, and I wish all to know what they have done for me. Before I commenced their use I could not lie on my left side at all nights, and had such a choking sensation in my throat that I could hardly breathe. I would have to sit up in bed nights my heart would beat so hard, and my left arm and side pained me very badly. My heart would also flutter terribly when I would go upstairs, and I would have smothering spells. I have felt none of these symptoms since using two boxes of your Tablets, and can lie on my left side with ease. Please accept my gratitude for ever offering so good a medicine.

Why So Many Wear Glasses

The very general use of Eyeglasses nowadays does not mean that the vision of people is poorer than in former times, but that to-day they are having eye defects corrected that were formerly ignored.

Allow us to examine your eyes and determine their requirements.

STUDEBAKER
\$70 — \$102

Investors will recall that we steadily urged the purchase of this issue around \$70 and up to \$80. To-day's price shows a point advance, and considering its particular circumstances we believe it will be strong up to, at least, \$110.

We now suggest a 10-share purchase for our younger clients on margin deposit of \$20, for a 10 to 12 point profit. Experience has proven that only the big stocks are the ones. Switch the penny issues into the good ones.

FALSE ECONOMY.

It is often remarked by customers, "I must try and make my old clothes do for the winter." Perhaps the winter may mean very much longer. To protect your body against our cold winds you want warm woollens. An investment in a good Suit or Overcoat may save you months of illness. Durable material, cut and moulded to your figure by expert workmanship in the garment at MAUNDER'S. Samples and self-measuring cards sent to your address.
