Have You Seen the

JEWETT CAR?

THE JEWETT IS PAIGE BUILT.

The new Jewett is of Paige conception, designed and built by Paige engineers and mechanics in the Paige shops. From its Paige origin the Jewett inherits those unmistakable marks of Quality, characterizing the work of a group of men, who for ten years past, have been building the fine six-cylinder cars, bearing the Paige monogram.

Let us demonstrate to you its remarkable power and quality—5 passenger touring—\$2200; Sedan \$2850.

Forget the Pot!

With ordinary teas the rule is to use one for the pot. Blue Bird is so much richer, goes so much further, you do not have to put in an extra spoonful for the cup.

Music carries us on wings of thought to visions of the beautiful, it soothes and quietsens or -it quickens of enlivens, according to the art of the player.

Colours, too, have their effect. Reds for warmth, Grey coldness, Yellow enlivens and Blue brings quietness. Discriminative persons give care to the decorating of their homes.

Too often Wall Papers are chosen by price. A pattern out of harmony with its surroundings is never cheap no matter what the cost is.

We are now showing the newest in WALL PAPERS at prices unexpectedly low, particularly so in the better grade.

A PROMINENT AMERICAN MILLIONAIRE SAYS:

"Early in my business career I made it a rigid rule to invest a third of my net yearly income in Life Insurance. Now, at age 55, and with an estate of a few million dollars, I can truthfully say that the third I invested each year in Life Insurance to-day constitutes the greater and best part of my estate."
