*Like Grapes
in September!*

Rich clusters of Black Hamburg Grapes, their skins tight to bursting with goodness—they're never so sweet as when they come in on the crest of their season.

Tea too.

It holds its goodness for a season, then loses it a little at a time. Last year tea is like last year grapes.

The new crop of tea has just been gathered in the gardens of India and Ceylon. And it's the most delicious for decades.

Blue Bird is the first to offer this new season tea to you. For Blue Bird being the fastest selling tea was first to dispose of the last season crop.

So every package of Blue Bird offers you the new crop of tender young tips and baby blossoms. Want a royal cup of tea, right to your taste? Ask for
