BARNES ON THE PSALMS.—The first volume of a work bearing this title has been issued by the Harpers, and we are in receipt of a copy from Messrs. Tait & Co., Clifton. The commentary on the Psalms is much after the style of the author's "Notes on the New Testament." For lucid explanation given in language suited to the most common understanding Dr. Barnes has few equals. As an aid to a full comprehension of the Psalms, those grand and sublimely poetic effusions of the "Sweet Singer of Israel" the present work will be found very valuable. For sale at Day's bookstore.

THE MOONSTONE.—This book has been eagerly expected for some time. It was known that Wilkie Collins was writing a novel and that the name was to be "The Moonstone," and the fame which he has already so fairly won led the public to anticipate a very delightful book, and to await its appearance with impatience. It is superfluous to say anything in favour of the works of Collins, it is enough to make readers aware that the novel has been published and copies of it may be had at Day's bookstore.

WESTMINSTER REVIEW.—The last number of this able periodical has been received from the Leonard Scott Publishing Co. New York. It has articles on the following subjects:—The Character of British Rule in India, Davidson's Introduction to the New Testament, Co-operation applied to the dwellings of the people, Nitro Glycerine, The Marriage Laws of the United Kingdom, The Incas, Church and State, The Spanish Gipsy, Contemporary Literature. The Review is for sale at the bookstores in town.

EDINBURGH REVIEW.—We have received from the Leonard Scott Publishing Co. the last number of the Edinburgh Review. It contains articles on the following subjects: Salem Witchcraft, English Dictionaries, The Apocryphal Gospels, Lytton's Chronicles and Characters, Wellington's Correspondence, 1819—1825, The Modern Russian Drama, Letters and Speeches of Leon Faucher, Prince Henry, the Navigator, New Germany, the National Church. The Review is for sale at the bookstores.

MOAS MORMONS.—A special train passed through Hamilton on Sunday, with 550 Mormon emigrants, bound for happiness and Utah.

India & China Tea Co.

Home Depot at London and Liverpool. Canada-Depot, 25 Hospital Street, Montreal.

THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled. The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Tea of quality and favour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority. The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great bitterness and favour, combined with colour and strength, and to be entirely different to the flat and rapid article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring the leaf. PRICES: Each full-weighted Tea for family use a real gem and fine article 70 cent per lb. Finest quality procurable one dollar per lb. The above can be had either Black, Green or Mixed. To be had in packets of Quarter Pound and Half Pound, One Pound, and upwards, or in tin canisters of 5 lbs. and upwards, and by the Company's Agents in all the chief towns of Canada.—N. B. All the packages are lined with tin foil paper, and the Tea will consequently retain its flavour any length of time. Orders, etc.—All the Companies have the Company's trade-mark, without which none are genuine.
