NEW CHAIRMAN OF THE SEPA-RATE SCHOOL BOARD.

At the regular meeting of the board of separate school trustees, held last evening, Rev. Father Tiernan resigned his position as chairman, and was tendered a standing vote of thanks for his services as presiding officer. Mr. Phillip Pocock, who has been a trustee for several years, was chosen as Father Tiernan's successor in the chair. Rev. Father Peter McEwen elected superintendent of the schools.

TROLLEYS IN TROUBLE.

At 5 o'clock last evening a trolley car Further Confirmation, if Any Is Needed ran off the track near the loop at the top of the hill on Wellington street south. At first only the rear wheels were off, and the "green" motorman, being unable to get the wheels back on the track, pulled the car down the hill to the bridge, where he managed to get it completely off the track, and all four wheels buried in the gravel. A crowd gathered and several of the car windows were broken. Detective Flynn and two of the city police dispersed the crowd. There was another run-off at 9 o'clock on the Wharncliffe road.

Collegiate Institute. The public understood, as a matter of ourse, that the position would go to Mr. R. A. Little. Mr. Little was the acting principal of the school for a considerable period before Mr. Merchant's appointment. Since then he has been the assistant principal. In justice to Mr. Little, it should be stated that the school board's action implies no reflection upon him, personally or professionally. The personally or professionally. The trustees did not question his fitness for the post. He was entitled to it by seniority, experience and the rules of promotion. He has had a long and successful record. All these qualifi-cations are admitted, but, of course, they could not be taken into account by the majority of the school board, tho treated the appointment as merely a party question, entirely distinct from such trifles as the merits and claims of the applicants.

cally, a 500-acre wheat field is not very impressive. To ride over it, however, in blazing sunshine is to give rise to the feeling that it covers the face of the earth. The 5,000 acres of wheat on ranch "101" are divided into fields of almost equal size by the Salt Fork River, a stream that pours down a large volume of water at this time of year. Great yellow undulations of grain sweep alongside the river and then away toward the distant hills, until they seemed to reach the sky. It was so far across the fields that shocks look like a solid wall of wheat. In the field on the south side of the river the first circuit with a binder "There was not a man who could

was made by Superintendent Miller. guess how long it would take me to Fourth Truss special make the round," said he. "I pired a supply of twine on my binder, and started. It was almost dinner time Six Others at Different Times..... when I got back. I was gone four hours and traveled six miles." The distances are so great on the ranch that it is impossible for the men to turn in at one place for their meals.

The loss of time would amount to hundreds of dollars in a season. Accordingly, camps are established at different places, generally close to a stream, where the men live in tents and the meals are prepared by ranch cooks.

FAGGED OUT-None but those who have become fagged out know what a depressed, miserable feeling it is. All strength has gone, and despondency has taken hold of the sufferers. They feel as though there was nothing to live for. There, however, is a cure-one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dande-lion are two of the articles entering into the composition of Parmelee's

0000000000000 MANITOBA WHEAT.

Winnipeg, Man., Aug. 30.—Inspector David Horne, of the grain exchange, has received nine cars of new wheat for inspection from Gretna, Altoona and Plum Coulee. It was all No. 1 hard, and nearly good enough for extra No. 1 hard. A number of leading grain men question as to their reports on the yield, were almost unanimous in the belief that the govern-
