that the referee gave him the decision. BASKETBALL DROPPED BY TWO BIG COLLEGES

The rapid increase in the catalogue of sports organized for college rivalry seems to have been checked by the decision reached by both Yale and Harvard to drop basketball after the present season. The reasons given are interesting as showing the attitude of the institutions toward the "minor sports." Harvard takes the ground that there are too many of these intercollegiate teams, the list including rowing, baseball, track events, indoor gymnastics, tennis, hockey, golf, lacrosse, basketball, fencing and shooting, not to mention chess and debating. It is claimed that these teams seriously overlay each other in their The question whether or not boxing playing seasons, some of them diverting athletes whose services would be emporary setback has been experiis to be a recognized feature of college more efficient elsewhere, and that so nced by Mr. Thomas Fleming Day, athletic curricula appears to be agitat- few of them can pay their own way in who has proposed and already coming some of the eastern authorities in gate receipts that their multiplicity arrangements for the and out of universities, and it is inter- has become a serious drain on the
