-"Bill" Meredith Wanted for the Game.

The Hamilton Tigers have made such think that the London seniors do not for Mr. Mabee. stand much chance of winning tomorto play, and this adds considerable strength to the team. One more man's and London to keep the workers going. R. Meredith, jun., the president of the club. Mr. Meredith's ability on the gridiron is recognized, and it is felt that with Crawford, Meredith and Mc-Nee on the team, with the remaining nine from last Saturday's bunch, the Londons will assuredly win the game. Mr. Meredith's unwillingness to turn out in the game, it is thought, will be if such be the case on Saturday. It is thought that even yet he may be prethought that even yet he may be prevailed upon to play. "Chip" Reid is anxious to go into the game, but his knee was seriously into the pare. knee was seriously injured early in the season. The Hamilton Tigers' line-up for tomorrow afternoon will be as good as can be had in that city. It will in clude Isbister, back; Moore, Du Moulin, Simpson, halves; Ballard, quarter; Barron, snap; McKeand, Kirkpatrick,

Marriott, Murray, Lyons and Burkholder, wings; Morden and Woods spares. Mr. Frank Woodworth, secretary of the O. R. F. Plan and Sends It to the Council.

The board of health met in the city hall this morning and adopted a report presented by the special committee appointed to investigate and report upon the best method of collecting and disposing of the garbage of London.

The scheme as outlined in the document will be presented to the council next will be presented to the council next Monday night, and is as follows:

It is what is known as the Dixon system, the plant for which, if built of brick, is estimated to cost \$2,625, and if of cement, \$2,425. The crematory will cost about \$5,500, and will be of 15-ton capacity, which is deemed sufficiently large for London. Horses and wagons to make the collections must also be purchased, increasing the total cost of purchased, increasing the total cost of the plant to \$10,625. This sum includes \$1,125 duty on the cremating plant, which will have to be purchased in the United States.
