Battled 70 Minutes To a Draw Fast City League Hockey Games

Waterloos and Varsity in a Sensational Overtime Contest
Last Night.

Without any doubt the fastest game of city league hockey that has been played this season, was pulled off at Princess Rink last night, when for 70 minutes Varsity and the Waterloos battled to break a tie. At the end of that time, owing to the lateness of the hour, it was decided to call the game a draw and play the tie off at some later date.

Both of last night's games were far better exhibitions of hockey than have been the rule of late, and were deserving of better support, although a fair crowd was present. The Hermits won from St. John's in a close and keenly-contested game, by a score of 2 to 1. The game was anybody's up to the last, either team seeming to rely upon individual work and making no attempt to play combination. The Hermits secured their first goal after a minute and a half of play, when Woods scored by a neat shot. For the next fifteen minutes the puck was all over the rink, but finally Nixon made a shot which struck the goal-keeper, and Woods batted it in. With about a minute to play Lackey scored one for St. John's, on a long shot from the side. In the second half St. John's started out strong, and kept the puck a good deal in the enemy's territory. After eleven minutes of play the Hermit forwards made a rush, and McArthur scored. Producers were sent to the wall a minute for tripping. St. John's tried hard and McArthur made a neat rush, passing to Lackey, who scored. McArthur secured the puck again and made a fine shot on goal, which Parkinson blocked, and the game ended with the puck in the St. John's territory. Score, Hermits 2, St. John's 1.

The lineup was, St. John's, Parkinson, Nicholls, McCall, Legg, T. Woolly, Lackey, Producers.

Battled to a Draw.
The second game was a much better contest, and although Varsity was for some time looked upon as the weaker team, owing to the ineffective work of the forwards, the defense showed up well against the attacks of the Waterloos, who time and again were checked. McGuffin played a particularly good game, although a number of goals were saved by Eichenberger, who played the star game of the evening in goal. Time and again he stopped the swift shots of Bole, and prevented him scoring.

Waterloos Fast.
After a few minutes of play Read made a splendid shot on goal which Orr stopped. Munroe broke a skate and Hague was put off to even up. For the next few minutes it seemed certain the Waterloos would score and only the splendid work of Eichenberger, who stopped three hot ones, prevented it. Again Bole got the puck, but McGuffin blocked him and passed to Munroe, and the gong sounded for half time with the puck in front of the Waterloo goal.

Varsity Wakes Up.

In the second half Varsity played hard from the first and kept the puck in Waterloo territory. Bernhardt for the Waterloos played fast and his good work in backchecking prevented Varsity from shooting several times. Bole made a rush which Woods checked, Eichenberger stopping the shot and after some fast play by Varsity, the puck was taken to the Waterloo end of the rink and Munroe scored the first goal after ten minutes of play. Bole lifted from center, a clean quick shot, and scored. Again Bole rushed and shot, and Eichenberger made a splendid stop. The play around Varsity's goal was fast, and Hague scored again for the Waterloos in 11 minutes. Varsity forwards got away with the puck and Pugh scored in half a minute. Varsity again got away, and after a minute play around Waterloo goal, Pugh scored again. Bole did some fast work and made a beautiful shot, but Eichenberger was too quick, although a moment later Bole shot again and scored. Time was called, and the puck near the Waterloo goal. It was decided to play, 10 minutes each way and Varsity played hard, Reid taking the puck down the rink, but made a poor shot, Varsity had several good chances to score, but there was nobody there at the right time. Knott was put off for rough play and tripping. Again Reid rushed, and made a fine shot, which Orr stopped, and time was called. Both teams played hard the next five minutes, but Varsity's defense was strong and broke several nice plays of the Waterloos. A five-minute rest ensued and it was decided to play 10 minutes each way. In a few seconds Collins secured the puck and by a fast work and good shooting scored. A few minutes later Jimmie Orr shot from the right side and tied the score for the Waterloos. Varsity defense was again in evidence, Eichenberger, who made some fine plays, but Bole finally scored. It looked as if the Waterloos would score a few seconds before time when Bole rushed, but Eichenberger made a clever stop and the bell rang with the puck near Varsity's goal and the score a tie, 5 to 5. Both teams were pretty tired and it was decided to call the game. The line-up was as follows:

Varsity: Knott, Goal, Eichenberger, Bernhardt, Cover, Woods, Pugh, Bole, Center, Munroe, J. Orr, Right, Reid, Hague, Left, Collins. Referee, Jack Brown.

QUEEN ALEXANDRA'S JEWELS.
Among her wealth of jewels the Queen has many trinkets of which she is very fond. One which her majesty particularly likes and most frequently wears is an enamel pendant of Russian make in the form of a white swan. The German Empress whose pearls are the admiration of all beholders, is seldom seen without a diamond, neither very large nor particularly beautiful, but which was found after the battle of Waterloo in Napoleon's hat. The King has a great fancy for one or two of his walking sticks. His favorite cane is an heilman, as it was constantly used by her late majesty, and was once the property of the Merry Monarch. The handle, which used to be of wrought gold, is now an Indian diamond carved ivory, with a tongue of rubies and eyes and forehead also of precious stones.—Dundee Advertiser.

MR. ARTHUR (DOC) SIPP, The Daddy of Local Baseball, Who Will Form Another City League.

Every spring, with the proverbial first robin, bobs forth from retirement the veteran of local baseball, Doc Sippi.

In the early part of the present winter the old-timer made it a point to announce definitely, that he "was done for good and all."

Today, just before this page went to press, the veteran hove into The Advertiser office. He was somewhat out of breath, but did not appear excited. Nothing excited Doc Sippi.

"The City Baseball League is not down and out," he announced solemnly. "And, furthermore, neither am I." This was too much, and haste was made to ask questions.

According to the doctor, the City League will play ball this year on grounds not far from Tecumseh Park, and the admission for the two games will be 15 cents, instead of 25 cents as in the past. Just what effect this move will have on the new pro league Mr. Sippi was not prepared to say, but he intimated that the City League owed the invaders nothing.

A meeting will be held shortly and the teams picked for the City League. As usual four teams will be entered, and there will be two seasons played. With the Pro League, the City League, the East End League and the Springbank League, not to mention the host of corner lot and college boys, that will be played, London should have enough for the next season to suit the most fastidious.

COMPOSERS.
A story is told of Verdi, the famous composer, which shows that he was willing to pay a good price for what he considered comfort.

A friend who went to call upon him in a small water-gate found the composer in a little room, which he informed his visitor served him for dining-room, sitting-room and bedroom.

"I have two other rooms which are attached to his friend," but I keep these three-five barrel organs." He pointed to two his friend's surprise, and they continued.

"When I came here my ears were tortured by hearing them play 'Trovatore,' 'Rigoletto,' and similar stuff. I hired them from their owners a day about fifteen hundred lire for them, and enjoy my summer's rest undisturbed by the sound of my own compositions."—Youth's Companion.

AROUND THE SPORTING CIRCUIT By SOUTHPAW

SURPRISES WERE THE ORDER OF THE HOCKEY SEASON, but there were none perhaps which equaled that of last night when the Kingston seven laid low the Stratford seniors in their own icehouse.

In view of the stories that are floating around these diggings in reference to Stratford's part in the Collins reinstatement affair, there is little or no sympathy being expressed around here for the prides of the Classic City.

IN THE FIRST PLACE IT IS SAID that the Collingwood intermediates left home on the day previous to the game here and journeyed to Stratford, where it practiced with the Stratford seniors pending some wire-pulling on the part of Farquhar to reinstate Collins. The story goes on further that Collingwood landed in London at 7:10 on Friday night, but refused to appear at the rink until word had been received from Toronto. Shortly after 8:30 the long-looked-for message came and the bunch from the northern hockey center made their way to the rink. The game was scheduled to begin at 8:15, and started at 9:30.

IF MIDLAND IS AS STRONG AS TOUTED Collingwood should be made to look like a counterfeit in a phoney deck. Of course it is immaterial to local fans just how the intermediate title goes now, but there is no great love for Collingwood noticeable. However, no one can blame Collingwood for the part it took in getting Collins reinstated, for it is only natural for a team to seek every advantage it can. That doesn't let the O. H. A. out though, and Londoners cannot but feel that the only way for the Forest City to win a championship is to get a seven together that can trim anything on ice up to the champion King ton senior.

THE RACE IN THE CITY HOCKEY LEAGUE is now the most interesting one in years, for the reason that the Hermits, who were thought to be down and out have come up strong at the wire and are within half a game of being tied with the Waterloos, who have led for some time.

There now remain to be played two postponed games and one tie game. The postponed games will be played off next Monday night and will bring together the same teams that met last night, namely, the Hermits and St. John's and the Western University and the Waterloos.

In addition to these contests there will be played an exhibition game with a picked team of the City League and the Londoners, and a contest between the winners of the City League of this year, and the Hortons, winners last year.

The present standing of the league will be found in another column.

Home-and-Home Games With Hamilton For the Championship of Ontario

Total Goals on Round To Count
—The First Game on Friday.

Hamilton vs. London at the Princess Rink tomorrow night.

Secretary Powell yesterday made arrangements for these two teams to play off for the championship of Western Ontario, and some great sport should be the result.

Kingston Takes Senior Championship

Stratford, March 3.—Kingston took the senior championship of the O. H. A. last night when it defeated the home team by 9 to 7, thereby winning the round by 4 goals. At half-time the score stood 4-2, favor Kingston.

The result was a complete surprise to the Stratford fans, who looked to see the visitors eaten up on the large local rink.

The contest was rough and fast, and Smith, of Toronto, who refereed, allowed the rival players to get away with many questionable stunts.

Hiscock, in goal for the visitors, was a tower of strength and stopped twenty shots to the opposing goal tender's one. He proved the sensation of the evening.

After the game, the Kingston team was banquetted by the Stratford people, and highly complimented on its remarkable showing.

The line-ups:
Kingston: Hiscock, Goal, McLaren, Powell, Point, Forbes, Van Horne, Cover, Rankin, Potter, Rover, Hern, Crawford, Center, Edmunds, Bernier, Right, Baker, Richardson, Left, Eason. Referee, Smith, Toronto.

WARD FOUR THE BOSS INUNDLERS

Ward Four bowlers were the boss trundlers last evening in the Liberal Club series, winning two games out of three from Capt. Jimmy Murray's Ward Three rollers. Capt. Stone had his men in good form and they bowled well.

The first game was a heartache and ended in a tie. It was bowled off, and Jimmy Murray won by the narrow margin of one pin. The second game was also a close one, but Stone's team were up. In the last session

Ward Three rollers had a big lead, and romped home on the bit. The boss bowler was Benny Waterworth, who captured all the honors by getting high single with 182, and high aggregate with 508. Percy Stone was after him, rolling 508 in three chances. Ross, Worrall and Platt bowled steadily.

Scott was the best for the losers. He rolled 473. Tommy Dewar also bowled well. Brock was steady. Those two rollables, John Martell and Jimmy Murray, were in hard luck, and did not get their usual good string.

The scores:
Ward Four: Platt, 120 134 171—425; Worrall, 142 146 142—430; Ross, 151 128 180—459; Waterworth, 182 159 167—508; Stone, 176 123 177—476.
Ward Three: Brock, 159 135 142—437; Dewar, 169 130 146—445; Scott, 177 154 142—473; Martell, 130 157 132—419; Murray, 137 125 146—408.

FRANK HARVEY.
The well-known local basketball player, who believes that the game would be a winner here if a good city league could be formed. Harvey this morning stated that the prospects of such an organization next year looked very bright. In Buffalo and other places basketball games draw as high as 2,000 people. Buffalo has over 200 basketball teams.

National Bowlers Off for Rochester

The five bowlers from the National Alleys, who will defend the honor of the Forest City in the big Rochester, N. Y., tourney, left last night for that place, laden down with confidence and large bumps of ambition.

But one change has been made in the personnel of the team. Chester Sheers was unable to get away for some reason or another, and Louis Karrys went in his stead.

Those who made up the team are: Captain Wm. Bell, Alf. Sheers, Joe West, Walter Primeau and Louis Karrys.

The five-men team bowling starts tomorrow, and all of the local contingent will compete in the singles.

A peculiar feature of the trip was that it was not decided on until about 5 o'clock last evening, when Billy Bell phoned Toronto and inquired as to the number of men that were going from there. There will be twenty-five Toronto trundlers entered.

With a fair percentage of luck the London bowlers should make a very creditable showing, and possibly sweep the boards.

WATERLOOS LEAD IN CITY LEAGUE

The Waterloos still lead in the city league race, but the margin of leadership is not enough to go wild over, as but a half a game separates them from the runners-up—the Hermits.

Next Monday the same teams that met last night will meet in the postponed games, which have yet to be played, and the result of these contests will practically decide the winner of the series.

The Waterloos will also have to play

off the tie game with the Varsity team, and it is possible that the game will have to be put on at some later date, as the rink will be fairly well monopolized by the Londoners who will play a number of exhibitions.

The standing:

	Won.	Lost.	Tied.
Waterloos	5	2	1
Hermits	5	3	0
St. John's	3	5	0
Western University	2	5	1

THE LOBO JAPS

DEFEAT VARSITY

Lobo, Feb. 29.—In a clean and hotly-contested game the Lobo Japs put it over the Western University to the tune of 7-2, here today. Owing to heavy ice fast playing was out of the question. At half-time the score stood 6-0 for Lobo, but in the second half Nixon got away and scored twice in succession for the visitors. Good combination was impossible on such ice, but exceptionally good individual plays were made. Art Nixon and Morris Follinsbee, for Varsity, and Walt Campbell, McLeod and McIntyre for Lobo, did some stunts that would make O. H. A. men sit up and take notice. Wilson, of the Western, made an impartial referee. The return game will be played in London next week.

Teams wishing to get a game on with the Japs should apply by phone or letter to Neville Chafferson, manager, or Simon McLeod, captain.

Sporting Jottings From Scissors, Pen and Wire What Is Doing in Local and Foreign Athletics

THREE CHEERS AND A TIGER for Hamilton, for today their bowling team have three championships to their credit. Their Gun Club cleaned up that competition, while on Saturday the bowling team annexed the C. B. A., as well as the Canadian championship. Few looked for the mountain to carry off the high honors, but bowling is an uncertain game, and this fact has been exemplified more than once. Bowling has received a boost in Hamilton that will go a long way toward making the C. B. A. tourney in that city next year the best ever, while now every Canadian bowler will take his hat off to the Hamilton Bowling Club, the first Canadian winners of the C. B. A.—Toronto World.

HOW ABOUT FARQUHAR?
London intermediates made an excellent showing this season and looked easy winners until Collins was reinstated. That turned the hands of the clock in the opposite direction.—Stratford Herald.

BABY CITY VIEWS.
Coming as it does so shortly after the London defeat by Collingwood the outburst from the Forest City looks anything but sportsmanlike. Will Western Ontario, just because London has a petty grievance, forsake the leading hockey association in Canada today? If the feeling was widespread the step might be worth considering, but London is only a small portion of Western Ontario, and her grievance is a purely local one. The assistance of the other clubs is desirable to help her in her fight of revenge against the O. H. A.

That the executive of the O. H. A. would deliberately do London an injustice is altogether improbable. It would have been a real injustice to Collingwood to have kept Collins from playing if he was an amateur.

As it was he was kept from playing in one game. The executive of the O. H. A. is an elected body, and can easily be removed if considered dishonest.

Another thing, the O. H. A. is closely affiliated with the C. A. A. U., and is seemingly and purely amateur. Could a league be formed in Western Ontario of similar strength and power?—Woodstock Express.

THE OTHER SIDE.
Will the hockey teams in the west cut away from the O. H. A. and go into business for themselves? There is not the slightest reason why such a project should not prove an unqualified success and a great boon to hockey.

The kick is certainly built upon a sound basis, and it would be in the interests of Canadian sport if the hockey teams of the west would cut away. Of course there may be objections. The C. A. A. U. is affiliated with the O. H. A., and it is a question just in what light the stampee would be looked upon by that powerful organization. If a Western Ontario League was formed, undoubtedly Woodstock would cast in her lot with London and other cities.—Woodstock Review.

BRANTFORD FOR PRO. BALL.
Brantford Expositor: Fred Paige, who called in the city on Thursday promoting the International Ball League, inquiring into the prospects of Brantford going into the same, from all reports received scant encouragement from the local magnates.

Mr. Paige was advised that a syndicate with at least \$2,500 of capital would have to be formed. On the whole this proposition did not appeal to the international promoter, who stated that Brantford and the other teams would have to put themselves of a hundred EAT TOO MUCH.

under the rulings of the national commission, and for such protection a guarantee of \$500 would be required. As is well known one afternoon's sport a week is about all the Telephone City will support and that afternoon is Saturday, when part of the factories are closed down. At any rate, Mr. Dennis Burke will journey to Niagara Falls on Tuesday to hear what the other fellows have to say, and Dennis will look after local interests.

YEP; WE SAW IT.
Hamilton is still on the sporting map good and strong. Two notches were added to its championship belt on Saturday.

The attention of the sporting editor of the London Advertiser is respectfully called to the headline on this page.

The Hamilton Hockey Club management should try to arrange a home and home game with the London intermediates.—Hamilton Times.

ADVICE TO ATHLETES.
Tom Eck, the well-known trainer of athletes, in an interview in the New York World, offers the following good advice:

"Any man can rub a man down, but he might not know just what workouts should be given to develop a champion. Plenty of sleep is a most necessary thing. Just the right amount of work is important. But the most important thing of all is diet."

"A man should not eat between meals or drink between meals other than enough to gargle the throat and take one or two swallows."

"At mealtime one glass of water with one cup of tea or coffee is plenty. A running or trotting horse does not get two or three pails of water with each meal, and it is not allowed to overeat. A moderate amount is sufficient. Ninety-nine athletes out of a hundred EAT TOO MUCH."

FRANK HARVEY.

The well-known local basketball player, who believes that the game would be a winner here if a good city league could be formed. Harvey this morning stated that the prospects of such an organization next year looked very bright. In Buffalo and other places basketball games draw as high as 2,000 people. Buffalo has over 200 basketball teams.
