STEIGER REPORTS TO REISLING

Southpaw Is Anxious to Join Team and Reports He Is in Good Shape—Bad Weather Putting a Crimp in Training Just at Present.

BY JINX.

Heinie Steiger has notified the London couple of thousand people Club directors that he will report to Manager Reisling at Huntington, West Virginia, on Wednesday, when the team arrives in that city. Steiger claims to be in great form. He has been working out Wyandotte with the Border League team there, and says his arm is in great shape. He has received his transporta tion to Huntington, and is anxious to join the club. The reports from Marietta that Reisling has a good bunch of pitchers has no doubt hastened Steiger's departure He did not intend to report until the end of the week, but will do so a few days earlier. iHs arrival will make Reisling's task in picking out his pitchers more difficult than ever. The London Club has not had such a splendid assortment of good material to pick from since the Canadian League started, and the team should be strong in this department this season. Reisling himself will be one of the leading pitchers of the league if his arm feels as ood as it does at the present time. The big Caldwell dentist manager says he is feeling in great shape, and ready to take

Rain Loses Money For Club. The games at Portsmouth Saturday and Sunday were called off owing to rain, and unless clear weather sets in in Southern Ohio, the London club will likely find the training trip a more expensive one that first counted upon. Manager Reisling was figuring on good crowds at way things are shaping up in the Penn-Portsmouth to make up what he lost at sylvania city, and claims he will have a Charleston and Marietta, but the weather seems to be conspiring against him.

The London squad will likely be cut down this week. Okey was released yesterday, and it is likely that Munn will be let out. The pitching staff will also be cut down, but just where the axe will fall is a question. When Linneborn reports, McGonagle, the youngster who has been making such a remarkable showing during the games so far, will be farmed out to some club, where London can secure him whenever needed. McGonhis turn in the box with the rest of the ball player with a couple of years' expitchers.

Chubby Coose; Released By Saginaw. Looked Like a Lemon to That Club; Fans Bemoan Snyder's Departure

Chubby Coose, the former Brantford player, who was traded to Saginaw by the London club in exchange for Jack Snyder, the catcher, was released by the Saginaw club last week after a few days' trial. As a result of this the Saginaw fans and papers are levelling much criticism at Manager Holmes for letting Snyder get away from him for such a lemon as Coose. Coose failed to show a thing with the Ducks, and Holmes is of the opinion that Doc Reisling put one over on him when he made the trade. Reisling is not to blame at all. He had never seen Coose in action, but went on the word of the London club and those who

THE WORLD'S WORK DEPENDS ON THE WORLD'S DIGESTION

From the captain of industry to the hod carrier—from milady in the auto to the woman with the scrubbing brushthe accomplishments of every one of us depend absolutely on the accomplishments of our stomachs. Backed by a good digestion, a man can give the best that is in him. When his stomach fails, he becomes a weakling.

To this loss of power no one need submit. Right habits of eating, drinking, sleeping and exercise, aided by Na-Dru-Co Dyspepsia Tablets, will restore and maintain the full efficiency

of the human mind and body.

Na-Dru-Co Dyspepsia Tablets contain
the active principles needed for the
digestion of every kind of food. They go to the assistance of the weakened stomach, and enable the sufferer, right from the start, to assimilate and get the benefit of the food eaten. With this assistance, the digestive organs regain their tone, and soon the use of the tablets

is no longer necessary.

If your stomach is not working properly, try Na-Dru-Co Dyspepsia Tablets.
