If you happen to be one of those whose weight is more than it should be, don't try to starve yourself, eat all you want, but go to your druggist and get oil of orilene in capsule form and take one with each meal.

Oil of orilene increases the oxygencarrying power of the blood and dissolves the fatty tissue, in many cases at nearly the rate of one pound per day. Be sure to get oil of orilene in capsule form. It is sold only in original sealed packages. Any good druggist has it, or ackages. Any good druggist has it, or size box will be sent on receipt
