### A PROPHECY 300 YEARS OLD

Johannes—How It Portend the Present Struggle and What it Predicts Concerning the Tide of Battle.

Part of an extraordinary Latin prophecy made by Brother Johannes in the year 1600 is quoted in a recent issue of the Figaro.

In deciphering the allegory, it must be remembered that

France is represented by a Cock; England by a Leopard; Russia by a White Eagle; Germany by a Black Eagle; and Austria by the "other Eagle"; while the Lamb stands for Justice, Mercy and Truth.

"Towards the year 2000 the Antichrist will manifest himself. His army will surpass in numbers all that can be imagined.

"There will be Christians among his legions, and there will be Mahometans and savage soldiers among the defenders of the Lamb.

"For the first time the Lamb will be all red. There will not be a single spot in the Christian world that will not be red, and red will be the Heaven, the Earth, the Water, and even the Air, for blood will flow in the domains of the four elements at once.

"The Black Eagle will throw himself on the Cock who will lose many feathers, but will strike back heroically with his spurs. He soon would be crushed were it not for the help of the Leopard and his claws.

"The Black Eagle will come from the country of Luther, will surprise the Cock from another side, and will invade the country of the Cock up to the middle of it.

"The White Eagle, coming from the North, will surprise the Black Eagle and the 'other Eagle', and will invade the country of the Antichrist from one end to another.

"The Black Eagle will see himself forced to liberate the Cock in order to fight the White Eagle and the cock will pursue the Black Eagle into the country of the Antichrist to help the White Eagle.

"The battles fought up to then will be as nothing compared to those which will take place in the country of Luther, for the seven Angels will together pour in the fire of their censers on the

## PERCY'S PUZZLED! WANTS Your Help!!

### \$510.00 in Cash Prizes to be Awarded

MARY'S letter is surely a puzzle. She has so mixed up the letters in the names of things she would like Percy to give her for her birthday gift that they are almost different entirely. Sometimes she has even made two or three words out of one name, as in number nine, which is undoubtedly "Diamond Ring."

Each of the names in Mary's letter represents a present that any girl would like to receive for her birthday. Now, Percy, you try to solve the remaining names, and when you do, re-write Mary's letter, substituting what you consider the correct names and your solution to us. In this interesting contest we will award

PERCY'S PLAN WILL HELP YOU. The first thing Percy did was to walk through the store and make a list of all the things that would make nice presents for a girl, so that he could compare his list with Mary's and see how many names would fit the puzzling words.

How to Send Your Answers. Use one side of the paper only in writing out Mary's letter and keep it the same in form as given above, merely substituting your solution for the names in all parts of Canada, so that all readers of EVERYWOMAN'S WORLD can see and you show to the members of your family and friends the results of your puzzle.

"The White Eagle, by the order of St. Michael, will drive the Crescent from Europe, and will install himself at Constantinople. Then will begin at era of peace and prosperity for the earth, and there will be no more wars, each nation being governed according to its desires, and living according to the rules of justice.

There will no longer be Lutherans or Schismatics. The Lamb will reign, and the supreme happiness of humanity will begin. Happy will be those who, escaping the perils of that period, will be able to enjoy the fruit of the reign of the spirit and of the purging of Humanity, which can only come after the defeat of the Antichrist."
