Her words were not threatening, but were spoken with the calmness of inexorable resolve; and he sat before her with an ashen face, tremdling like an aspen, for it was like the day of judgment to him. Then in gentler and pleading accents she told him of their plan to place him under skilful treatment, and besought him to yield himself up to the care of one who had won much reputation in dealing with cases like his own; but all the encouragement she could obtain were the words, "I'll think of it." It were well perhaps to veil the agony adured in the striken household that night.

It were well perhaps to veil the agony endured in the strike household that night. The sufferings of such women as Mrs. Jocelyn and Mildred cannot be portrayed in words, and the dark chaos that had come into poor Belle's tempted, despairing, him a nature oraving sunshine and pleasure like the breasth of life, she felt herself being dragged hopeicasly into darkness, shame and abject poverty. The poor child was not deliberately contemplating evil—she was scarcely capable of doing good or evil—deliberately contemplating around her.

She was more wary now, yet boller, and sow in the mocking coquetry. He was profuse with mocking coquetry. He was profuse with promises, and she tried to believe with grant promised to be save that further socies of violence would lead to his arrest and imprisonment. Of

wrung her hands passionately. but all her trembling sister could obtain from her were the words,

"Millie, we are being dragged down I don't know where."

Events follow rapidly. Before Mr. Jocelyn, sullen, nerveless, racked with headache and tortured with heartache, headache and tortured with heartache, agent of the tenement served a notice on him to the effect that he must vacate his rooms at once; that the other tenants rooms at once; that the other tenants complained of him as a nuisance; and that he (the agent) would be content to lose the last regular payment if they would since the last regular payment if they would since the last regular payment if they would some that day, and, without a word, hope that day, and, without a word, hope that day, and had so braced himself with ture van, and had so br
