Little Change in British or Local Markets—Cartile Stendy at Last Week's Quotations—Little Export Demand.

TUESDAY EVENING, June 10. 1

The feature of the local stock market to-day was the activity of Ontario Sank stock, no less than 15 transactions being reported. To lbe sure the majority of the deals were of small compass, ranging from 16 to 29 shares, but the sales comparised all recorded in bank stocks excepting Imperial, a few shares of which were placed at 184%.

Books generally, where changes were chronicled, were easier. Monireal exhibited a decline of ½4, as did Ontario. Commerce, on the other hand, was 16 stronger. Miscellaneous stocks were entirely neglected. There was a little trading in load stocks. 25 shares Freehold (new) sold at 187, and soles of 20 shares of E. & L. were reported at 108%. In, the afternoon business was fairly active, and quite a large volume of trading was transacted, pretty well distributed over the whole list. There was further disposition to trade on Ontario, which was quoted ½6 weaker. Commerce was stronger at 194% asked and 128 bild, and there were four transactions aggregating 120 shares at 124. British America was firmer and 28 shares at 124. British America was firmer and 28 shares and 120. Were and quite a large volume of trading was transacted, pretty well distributed over the whole list. There was further disposition to trade on Ontario, which was quoted ½6 weaker. Commerce was stronger at 194% asked and 128 bild, and there were four transactions aggregating 120 shares at 124. British America was fifther and 28 shares at 129. British America was fifther and 28 shares at 120. Westernoon business was fairly active to the commercian large and the properties of the commercian large and the properties of the commercian large and the properties of the local stock of the large and the properties of the large and the large and the large and the large and the larg

which was quoted 1/2 weaker. Commerce was stronger at 1243/2 asked and 124 bid, and there were four transactions aggregating 129 shares at 124. British America was firmer and 28 shares sold at 110. Western Assurance sagged off and about 40 shares were placed at from 1491/2 to 1/2 Canadian Pacific declined 1/2 and there were two small transactions. Lon. & Can. was dealt in to the extent of 70 shares at 1271/2.  The following were the quotations:				was there es at hares I and to 16. e two	NEW YORK MARKETS. London and Montreal Stocks

St. Lawrence Market.

Business was again dult to day. Eggs sold at 12½c to 1½c, butter 15c to 17c for choice. Vegetables, meats and poultry unchanged.

Local Grain and Provisions.

FLOUR—Prices continue same as yesterday with no demand (chronicled, Holders would no doubt shade present prices in order to sell a round lot.

WHEAT—British markets to-day were quiet, though steady, with poor demand. In New York values are off, June closing 5½c lower than yesterday. July 3½c lower, Septemper dropped 3½c and October 3½c. Locally there was practically nothing done. For No. 2 fall 9½c was bid on Northern and 4½ better on spot; No. 2 spring on spot sold at \$1; no change in Manitobas.

OATS—Salos were reported outside at 3%c for white and 3½c for nixed, with 4½ paid for mixed on track. On call at the Board of Trace 3½c was hid for outs outside; white outs were offered on track. On call at the Board of Trace 3½c was hid for outs outside; white outs were offered on track. BARLEY - Little demand with 48160 bid for BARTEN - Little demand with 40% out for one of the contral No. 8.

FEAS - Frequity continues good with little offering quotations remain at 61c on Midland.

FEOVISIONS—Since vesterday there has been little change. Butter is steadier in view of the little change. Butter is steadier in view of the little change. Butter is steadier in view of the somewhat. Prices are unchanged, however, at 10c to 18t. for tube and 9c to 12t/9c for large rolls, which are in considerable demand. Receipts are increasing as the season advances, but as yet there is no accumulation of stocks. Eggs are firm with an easier tendency, selling in quantities at 13t/9c, and in smaller lots at 13c. The demand from American buyers has fallen off, and with

Respectfully, T. A. SLOCUM, M.C., 186 West Accrede St., FORONTO, ONTERED.

WEIGHTS AND MEASURES Tradera Manufacturers and Owners of Weights. Measures and Weighing Machines generally are specially requested to read earefully the following instructions and act accordingly:

1. The Weights and Measures Act provides for a regular blennial inspection of all Weights and Measures used for trade purposes, as well as for irrugular inspections of the same, which may be made at any time when deemed necessary by the inspector, and it also imposes a heavy penalty on any trader or other person who willuly obstructs or impedes an inspector or assistant inspector in the performance of his duty under said act, or who refuses to produce the whole of his weights and measures for inspection when called upon to do so by an inspecting officer.

2. Every Trader, Manufacturer and Owner of Weights, Measures and Weighting Machines whea paying moneys to Inspectors or Assistant inspectors of Weights, Measures and Weighting Machines whea paying moneys to Inspectors or Assistant inspectors of Weights and Measures for verification fees is entifled to, and is specially requested to, demand from the officer who makes the inspection an official certificate ("Form 0. 6" with the words "Original for the Trader" printed at the head thereof) properly filled out and stamped, and also at the same time to carefully accertain whether or not the stamps attached to such certificate represent exactly the value the smount of cash paid. Traders are requested to begr in mind that certificates of verification are of no value whatever unless stamps covering the full amount of fees charged are attached.

3. Owners and holders of these official certificates are specially requested to keep them carefully for two years, and in order to secure their safe keeping it would be advisable to piacard them in their places of business in the manner in which ordinary license certificates are done, for it must be distinctly understood that all tradeps who are unable to produce their properly stamped certificates when asked to do so by an inspector or assistant inspecto Traders, Manufacturers and Owners of Weights.

feasures and Weighing Machines generally are
pecially requested to read carefully the follow-
