WHITEWAY COMING TO CANADA-

St. John, Nfid., 'Dec. 11.-Premier day that Clarke Wallace was out of the Government. Thereupon D'Alton Whiteway's departure yesterday for Canada excited considerable comment, The prevailing opinion is that he will announced it on his platform. So that: D'Alton McCarthy and Clarke Wallase are getting much nearer than they were a few days ago. E. F. is

the connecting link. But D'Alton does not agree with the Grand Sovereign on the trade question. Even here E. F. is a half-way house-

for he thinks that the tariff burdens are too heavy. But these three stalwart Protestants are all in the one boat of "No coercion of Manitoba and opposition

to Remedial Legislation." Who is the man that would have said on Monday last that the Grand overeign, that man McCarthy, and Edward, the ex-mayor, would be together before Wednesday night.

Is Ned the Compromise Leader ? Will you join me. Mr. Wallace? No I will not Mr McCarthy. I've been opposing Remedial Legislation longer than you, Mr. Wallace. But I'm the Grand Sovereign, Mr. McCarthy.

Well, will ye both follow me, and I'll run in Cardwell.
