WHEN BABY IS ILL

When baby is ill—when he is troubled with constipation, colic, worms or cold; when his teeth are bothering him or when he is restless and cross and does not sleep well, give him Baby's Own Tablets. They are the mother's greatest aid in keeping her little ones well—thousands of mothers give their babies no other medicine because they know the Tablets to be absolutely safe. They are guaranteed by a government analyst to be free from opiates and other harmful drugs found in so-called "soothing" mixtures. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

A Beautiful Picture.

We notice in this week's issue of The Family Herald and Weekly Star, that the publishers have secured, as a premium picture for subscribers, another beautiful subject, entitled, "Mother's Treasures," a companion to the beautiful picture "Home Again," which they gave last year. Family Herald pictures are always good and it is said that "Mother's Treasures" is the best yet. It is truly wonderful what great value one receives for one dollar a year in The Family Herald and Weekly Star. It is a paper no home in Canada should be without. Every member of a family will find some part of it interesting, and alone well worth the year's subscription. The premium picture, "Mother's Treasures," is 23 by 29 inches, all ready for framing, and alone would sell in any art store for two dollars.

The Family Herald should do bigger business than ever this season.

McLachlan—McAlpine.

The marriage took place in London on October 12th, 1912, of Miss Annie McLachlan, second youngest daughter of Mr. and Mrs. John McLachlan, Brooke, to Mr. John Archie McAlpine, second eldest son of Mr. Donald R. McAlpine, also of Brooke. The bride wore a beautiful suit of brown diagonal with velvet shoes and hat to match. The groom's gift was a crescent of pearls. Mr. and Mrs. McAlpine will be at home to their friends after November 1st on the 9th concession of Brooke. The ceremony was performed by the Presbyterian minister of Maple St., Rev. G. Inkster.

Death of Mrs. MacWatt.

Mrs. MacWatt, wife of Judge MacWatt, Sarnia, died at her home there Thursday evening. She had been an invalid for the past 30 years. For the past week she had been in a serious condition, and Thursday a specialist was rushed from Toronto, but arrived too late, as she did not rally from an attack of heart weakness. Besides her husband, two daughters survive. Mrs. MacWatt was a member of the Presbyterian Church. The funeral was held to Barrie Monday morning after an impressive service at the family residence on College avenue Sunday evening. The Rev. J. J. Patterson, pastor of St. Andrew's Presbyterian Church, and Rev. Canon Davis conducted the services. The pallbearers were Hon. W. J.

Hanna, P. F. Pardee, M.P., Lieut.-Col. Towers, Sheriff Flintoff, Crown Attorney Buckle and J. Cowan, K.C.

The floral offerings were very beautiful and were from all parts of Ontario. The Masonic Lodge of Canada and the Masonic Grand Chapter of Canada each gave beautiful wreaths of flowers.

Lambton Deanery.

Forest, Oct. 23.—The Deanery Chapter of Lambton met by invitation of the rector, Rev. D. J. Cornish, and his people, at Christ Church, Forest, on Monday and Tuesday. The proceedings began with a service on Monday evening, with the Rev. Wm. Lowe, of Lucan, as the special preacher.

Tuesday morning Holy Communion was celebrated at 8 o'clock. After this service the chapter met for business. Rev. Canon Davis, M.A., of Sarnia, in the chair. The educational aspect of the missionary work was considered and the plans made.

A resolution was adopted looking towards changes in the Synod journal. The action of the chapter will be duly forwarded to the executive committee of the synod. The Sunday school literature and other matters were dealt with.

After the delegates were entertained by the ladies of the congregation, a conference took place. On account of the wet day some who intended driving from near-by parishes failed to attend and the program was not carried out as originally planned. It was full of interest, however, by reason of the practical nature of the subjects which were presented.

Rev. Canon Davis, M.A., spoke on "Some Dangerous Tendencies of Modern Life." He was listened to intently, and there followed a most helpful discussion on a number of the tendencies brought before the gathering.

Mr. George Gabler, of Sarnia, gave an illuminating address on Sunday School work. The diocesan secretary for Sunday schools and young peoples' work, Rev. T. B. Howard, gave an address on "How to Conduct a Successful Sunday School." Practical and tried ways of securing better results in the Sunday School were urged by the convention.

The annual meeting of the Lambton Sunday School Association will be held in May next, at Watford.

The secretary announced that a summer school for Sunday school work would be held for seven days next summer in London at Huron College.
