Return of Jews to Palestine. The fulfilment of prophecy is at hand Because of persecution in the lands of their adoption many Jows are turning heir fac s toward Jerusalem. It will be an immense undertaking to restore Jerusalem to its former beauty, grandour and utility. Perhaps the greatest achievement of its former days was the supply of the city with pure water. It was brought many miles through a ontinuous mass of rock and stored in nmense reservoirs of rock within the wal's of the city at untold cost. One of theses reservoirs made in the solid ockstill remains. It is an oblong quedrangular tank. 240 foet in length and 150 feet in breadth. Many of the millions of dollars for a pure water supply, many times without success. The medical world recognizes the fa that the greatest health necessity is an Attending Fat Stock and Poultry Show and lectures in connection pure water. There are sections of our

country where the supply of pure water is unlimited and comes "without mon-ev and without price." Unfortunarely the cities are not located in these sec-tions. The most noteworthy of these is the pine-clad sand-hills of North Car-Stock and Poultry Show and lectures In the most desirable location in this section is Pinebluffi, where from every hillside springs forth the purest water. Here, too, is the pure, dry, soft, balmy pine-laden air, abundant sunshine, perfect drainage, freedom from mud or dust; the best place in the world for health, recuperation and
