

of and contributor to a mag-
ificent little Epic on her
name - of which I send you
a copy - which I hope will
interest you more especially
as you old friend Mr. Hild-
has a hand in it. - There are
in all 6 contributors - 2
from Ottawa - 2 from Mon-
tréal and 2 from Québec.
- It is private of course
only for friends who have
vs enough to understand it
- It was written as printed
by the several contributors -
being only the previous portion
which he had to answer - and
no corrections allowed. I think
