

**BUSINESS.**

If you know your subscription to have expired, renew it at once. \$1 per annum is the subscription price, and there is not a teacher in Canada who cannot afford to pay that sum for a good educational paper.

Notify **THE MONTHLY** at once of change of post office, always giving the name of old office as well as the new.

**THE MONTHLY** will not be discontinued to responsible subscribers until ordered to be stopped. Bills will be rendered from time to time, and prompt payment of the same will be expected.

Subscribers wishing to introduce **THE MONTHLY** to their friends can have specimen copies sent free from this office to any address.

Our readers will observe that special attention is given to examination papers in this Magazine; in many cases hints and answers are given, and for several papers solutions have been furnished to all the questions. We hope subscribers and others will show in a practical way their intelligent appreciation of the valuable work done by the editors of the different departments of **THE MONTHLY**.

We are grateful to the kind friends of **THE MONTHLY** who have, from many different places, sent us letters of approval and appreciation. If golden words were current

coin, our esteemed treasurer would be able to declare a handsome dividend, and while we are much encouraged by the frequent assurances that **THE MONTHLY** is fulfilling a noble mission, we would respectfully ask our good friends to forward their subscriptions, as, though one dollar is a small amount, yet when a large number are delinquent in this small sum at one time, the effect is somewhat hurtful to the position of an educational journal, depending chiefly, as **THE MONTHLY** does, upon the support of the profession.

The best educational journal is the teacher's best friend, and we ask you, gentle reader, to aid in securing new subscribers for this educational journal, and to help the editors in getting original contributions for its columns, thus making it more and more the best.

Bound copies of this Magazine in cloth may be had from Williamson & Co., or from James Bain & Son, King Street, Toronto, for \$1.50 per copy.

The season for athletic sports is beginning. We invite the attention of our readers to the splendid line of sporting goods to be found at Mr. S. B. Windrum's, 31 King Street East (see advertisement).

**TEACHERS OF GEOGRAPHY**

will find the **PROGRESSIVE OUTLINE MAPS** an invaluable aid in teaching this subject. These **OUTLINES** keep a correct form of the country under consideration constantly before the pupil, and are especially helpful in assisting the mind to acquire and to fix geographical facts quickly and accurately.

As a system of Map-drawing the **PROGRESSIVE OUTLINE MAPS** are unequalled; they are highly commended by many of the best teachers. Send for samples, testimonials, and directions for use.
