\$1.00=SOFT OR STIFF HAT=\$1.00

These Hats are not the ordinary dollar ones, commonly sold in most stores as being a great bargain, but are a special effort of a large English maker to get more business in this country, hence, we can make this exceptional offer.

They are made from very fine grade pure English fur felt of a splendid wearing quality and will hold the color to the last. The trimmings are such as you will find only in hats at double the price, and this, combined with the most up-to-date styles for season of Spring and Summer, 1909, make it a hat that will pass muster in any company. Color, Black only. Get one at this special price - - - **\$1.00**
