DO YOU WANT

To invest a small sum every month where it will
be safe and yield you in eight years

\$500 OR \$1000

Or more, according to amount saved per month.
It is the Dollars saved, not those Earned, which
measures the degree of our future wealth and pros-
perity.

CAN YOU AFFORD TO SAVE

2 Cents a day for 8 years and get \$100?
10 Cents a day for 8 years and get \$500?
20 Cents a day for 8 years and get \$1000?
You can if you will.

So long as the masses of the people do not save
anything out of their earnings, just so long will
their earnings go into the hands of those who do
save, and thus are the capitalists. This is why the
few own the houses and the many pay the rent.
Do you wish to remain one of the "masses," or do
you wish to become a capitalist?
Write for particulars.
